Uma sithi umKristu uzelwe nguNkulunkulu, sisho ukuthi uzelwe ngezwi, uyimbewu yezwi. Hallelujah. Yilokhu esikufunda evesini esivule ngalo, umphostoli uJakobe 1:18 uthi, ***"Senizelwe ngokwentando yakhe, ngezwi leqiniso ukuze nithele izithelo zokuqala zendalo yakhe."***

UPawulu wakuthatha lokhu wakuyisa ezingeni eliphezulu ekubiza ngencwadi kaKristu: ***"Nibonakala ukuthi niyincwadi kaKristu eyenziwe ngokukhonza kwethu, ilotshiwe kungengoyinki kodwa ngoMoya kaNkulunkulu"*** (2 kwabaseKorinte 3:3). Kusho ukuthini lokhu? Kusho ukuthi impilo yakho ngeke yahlukaniseka nezwi. Lokhu kungenxa yokuthi izwi likaNkulunkulu liyisisekelo, konke kuncike kulo ukuze kuphile.

Umzimba womuntu wabunjwa ngodaka, ngakho umuntu kufanele asebenze ukuze azondle ngokuvela emhlabathini. Umuntu, ungumoya, umoya womuntu uvela kuNkulunkulu, wakhiwa ngezwi likaNkulunkulu. Ngakho-ke kufanele uhlale uzondla ngezwi likaNkulunkulu ukuze uphile. INkosi uJesu yathi encwadini kaLuka 4:4, ***"...Ngokuba kulotshiwe ukuthi, Umuntu angiphile ngesinkwa sodwa kepha***

ngalo izwi elivela kuNkulunkulu." Izenzo 20:32 uthi, ***"Kalokhu ngininxusela kuNkulunkulu nasezwini lakhe lomusa elikwazi ukuninika ingcebo phakathi kwabo abangcwelisiweyo."***

Ngezwi likaNkulunkulu ulungisa impilo yakho ukuba ube ngumnqobi indlela yonke kuze kuthi nasezimweni zonke uhlale uphumelela. Encwadini kaIsaya 55:11, iNkosi yathi, ***"...Kuyakubanjalo ngezwi lami engilithumele, aliyukubuya lilambatha lingakufezanga engilithumele khona."*** Zifundise ukuphila ngezwi empilweni yakhe uhlale ukhula njalo enkazimulweni.

Waba ngowokuqala owazalwa kabusha, phakathi kwayo yonke indalo. 1 kaPetru 2:9 uthi, ***"Kepha nina niluhlanga olukhethiweyo, ubukhulu bobukristu, isizwe esingcwele, abantu abakhethiweyo ukuba bakhombise ukumdumisa lowo owabakhipha ebumnyameni wabangenisa embusweni wokukhanya."*** Ungulowo muntu-ke njengalokhu usuzelwe kabusha. IBhayibheli lithi uyakwazi esikufunayo singakakuceli kuye (ngokukaMathewu 6:8). Ngakhoke, funda ukukhuleka njengoJesu. Wakhuleka futhi wacacisa. Khumbula umkhuleko awukhuleka ethuneni likaLazarus. BUKA NGALE KOBUNJALO BAKHO

Ngingenza konke ongiqinisayo (kwabaseFilipi 4:13).

Encwadini kaMathewu 17:20, uJesu wathi, ***"Akukho okungenzeke kini"***; ngamanye amazwi, ningenza noma yini. Umphostoli uPawulu uyakugcizelela lokhu evesini esivule ngalo. Futhi nasencwadini yesi-2 kwabaseKorinte 3:5, uyaqhubeka ubeka kanje, ***"kungesikho ukuthi singaba namandla ngokwethu okucabanga ngotho ukuthi luvela kithi kodwa amandla ethu avela kuNkulunkulu."*** Lapha akakhulumani ngamandla omuntu kepha ngakaNkulunkulu, yingakho kufanele ubuke ngale kwamandla akho.

Uma usuzelwe kabusha, wamukeliswa impilo nemvelo kaNkulunkulu, okusho ukuthi usunayo futhi usebenza ngayo. Lokhu okwakunika uPawulu isibindi aze athi, "Ngingenza konke ngaye ongiqinisayo!" Kunjalo ngathi sonke kodwa abaningi ababukanga ngale kwamandla abo nalokhu okubanqundayo—ngakho, bagcina behluleka futhi banotshwe. Kepha hayi ngawe, uzelwe nguNkulunkulu, ungamelana nanoma yisiphi isimo.

Yilo mqondo owawukuDavid ngesikhathi ebhekene

noGoliath. Wasithi nhla lesi sihwaga wayesethi, "Ngizokususa ikhanda lakho emahlombe namuhla, uzodliwa yizinyoni zasendle" (1 uSamuel 17:46). Kanjani nje uDavid, akhulume kanje? Wayesebuke ngale kwamandla ache, wabheka uJehova. Wathi kuGoliath, "Ngiza kuwe ngeGama leNkosi yezimpi, uNkulunkulu wezimpi zakwa-Israyeli, lo omhlambalazayo" (1 uSamuel 17:45). UDavid wayethi, "Kungabukeka sengathi yimina omi lapha, kepha eqinisweni nguNkulunkulu omi kule ndawo obhekene naye ngoba mina ngimi eGameni lakhe, hayi kwelami. Ngisebenza ngamandla ache hayi awami!" Hallelujah!

Yiba nawo lomqondo ngoba onakho kukhulu kakhulu kunalokhu ayenakho uDavid, mkhulu phila kuwe namuhla. Ukhuluma kuwe, uphulukisa abagulayo ngawe futhi abuye abusise ngawe. Unawo wonke amandla nezinsiza emoyeni wakho. Malidunyiswe iGama lakhe kuze kube phakade!

LETHA IZINTO EZINHLE KUPHELA

Umuntu omuhle uveza okuhle emfuyweni enhle yenhliziyo yakhe nomubi uveza okubi ngokuba umlomo wakhe ukhuluma ngokuchichma kwenhliziyo (ngokukaLuka 6:45).

Amanye amaKristu anokuthi, "Into enkulu eyenzeka kimi kungesikhathi ngizalwa kabusha?" Kepha eqinisweni, akukho "okwenzeka" kuwe ngesikhathi uzalwa kabusha, kunalokho nguwena "owenzeka"! Wazalwa kabusha emoyeni wakho. Uma umntwana ezalwa, awusho ukuthi kukhona okwenzekile kulowo mntwana, kodwa ngumntwana "owenzekile" noma ofikile kulo mhlaba.

Kubalulekile ukuba ukuqonde lokhu, ngoba kuyokunika umqondo wokuthi uNkulunkulu ufuna ucabange futhi uphile kanjani njengomuntu wombuso. Ulethwe kuKristu—indawo lapho okungafanele "kwenzeke" utho kuwe kunalokho, nguwena owenza izinto zenzeke, uletha izinto ezinhle. Hallelujah!

Indlela uNkulunkulu asiqeqesha ngayo ngezwi nangoMoya wakhe ufuna ukuba sizimele noma ngabe sibhekene nani empilweni. Ufuna uzibambele izinto ezinhle eziza kuwe bese uthatha isinqumo sokuvikela izinto ezimbi ukuba zingangeni kuwe ngoba umoya wakho ukhiqiza okuhle kodwa. Funda ivesi esivule ngalo futhi, uJesu wathi, ***"Umuntu***

omuhle uveza okuhle emfuyweni enhle yenhliziyo yakhe, ngokunjalo nomubi uveza okubi enhliziyweni yakho ngokuba umlomo ukhuluma ngokuchichima kwenhliziyo."

Qaphela ukuthi akashongo ukuthi, "Izinto ezinhle zenzeke kumuntu omuhle," kepha umuntu omuhle, emfuyweni enhle yenhliziyo yakhe uletha izinto ezinhle. Kufanele ulethe impumelelo, ukukhushulelwa esikhundleni, injabulo kanye nazo zonke izibusiso ofuna ukuzithokozela empilweni yakho ngaphakathi, zonke zikuwe. Yingakho iBhayibheli lithi ubeke ingunaphakade ezinhliziyweni zethu. Bese kuthi encwadini kaJohane 7:38, wathi, ***"Lowo okholwa yimi, njengalokhu usho umbhalo, esiswini sakhe kuyochichima amanzi okuphila."***

WAKUCHITHA UKUFA

...owasisindisa wasibiza ngobizo olungcwele, kungengokwemisebenzi yethu kepha ngokwelakhe icebo nomusa esawuphiwa kuKristu uJesu zingakabikho izikhathi...owachitha ukufa wasilethela ekukhanyeni ukuphila nokungabhubhi ngevangeli (2 kuThimothewu 1:8-10).

Makabusiswe uNkulunkulu! Kukuyiphi indawo emhlabeni jikelele lapho owake wafunda khona into enje, ikakhulu lengxenye yokugcina yevesi elicashuniwe? Ubani owake wacabanga ukuthi isitetimende esinje sasingake sibhalwe emhlabeni? Ngifuna uqaphele inkathi, akushiwongo ukuthi, "Ngubani oyochitha ukufa, kepha kunalokho lithi, "Owachitha ukufa." Uma into ichithiwe, kusho ukuthi isusiwe, ayisekho, iphelile, imisiwe futhi yasuliwe!

UJesu wakumisa nse ukufa! Angikhulumi ngokufa kukamoya, ingxenye yokugcina iyacacisa ukuthi kukhulunywa ngokufa kwenyama, ngoba uthi, ***"wasilethela ekukhanyeni ngokungabhubhi ngevangeli."*** Lokhu kuyisimanga! Akakwesulanga nje ukufa, wasilethela ukuphila nokungabhubhi. Kusho ukuthini ukubhubha? Ukubhubha kusho ukuba wumuntu, osangananyathelwa ngukufa. Ukuzalwa kabusha kwenza ukubhubha kugwinywe ukungabhubhi. Ubuntu bakho bugwinywe ngubuNkulunkulu empilweni yakho, umuntu osengcwele odlulile ekufeni wangena ekuphileni.

Ungazibuza, "Uma lokhu kuyiqiniso, uma uJesu wakuchitha ukufa, kungani pho abantu beqhubeka befa, ngisho namaKristu imbala?" UNkulunkulu wathi, ***"Abantu bami babhujiswa ngukuswela ulwazi"*** (UHoseya 4:6). Singazikhethela ukubeka phansi izimpilo zethu. Cabanga ngoPawulu: lowo ngoMoya, waloba leli vesi esilifundayo, washiya lomhlaba ngoba vele wayesekulungele ukuhamba, njengoJesu. UPawulu wathi, ***"Ngiliqedile ibanga lami, ngulwile ukulwa okuhle ngalugcina ukholo lwami"*** (2 kuThimothewu 4:7). Wawuqeda umsebenzi wakhe wayibeka phansi impilo yakhe ngesikhathi sakhe sokuhlushwa.

Isizathu sokuqala esenza abantu bafe wukuhlala becabanga ngokufa nokwesaba ukufa. Musa ukukwesaba ukufa, musa ukucabanga ngakho. Musa ukukhuluma ngakho. Ukufa kuyisitha sakho—isitha sakho esinqotshiweyo sachithwa! Akunamandla phezu kwempilo yakho. Makadunyiswe uNkulunkulu!

HAMBA PHAMBILI EMUSENI WOKUNIKELA

Kepha njengalokhu nivamile kukho konke--ukukholwa, namazwi, nokwazi, nokukhuthala konke, nothando enisithanda ngalo --manivame nakuwo lowomsebenzi womusa wokunikela (2 KwabaseKorinte 8:7 NIV).

Wonke umkristu umele ukushiseka ngomsebenzi kaNkulunkulu, futhi afake nomnotho wakhe ukuphusha nokusabalalisa ivangeli emhlabeni jikelele. Kepha kuvamise ukuba nalabo abashisekela kakhulu kunabanye. Yilabo uPawulu akhuluma ngabo evesini eliyinhloko yethu; bahamba phambili emuseni wokunikela.

Ukunikela kungumusa; kungenye yezipho zikamoya ebhayibhelini. Okwenza kube ngokukamoya ukuthi uNkulunkulu onika amandla. KwabaseRoma 12:6-8 uthi, ***"Sinezipho zomusa ezahlukileyo ngokomusa esiwuphiweyo; uma singesokuprofetha, asiprofethe ngesilinganiso sokukholwa...owabayo enze ngobuqotho..."*** Khumbula useshilo wathi emva kokwamukela uMoya oNgcwele, sonke soprofetha: ***"Kuyakuthi ezinsukwini zokuphela, kusho uNkulunkulu, ngiyakuthulula uMoya wami kuyo yonke inyama; amadodana enu namadodakazi enu ayoprofetha..."*** (Izenzo 2:17). Kepha-ke, iZwi futhi lithi, ***"...omunye unikiwe nguMoya isiphiwo sokuprofetha"***

(1 KwabaseKorinte 12:8-9), noma kuMoya oNgcwele kunguye owenza bonke baprofethe futhi babone imibono.

Ngendlela efanayo, wonke uyanikwa ukuba anikele, kepha umusa wokunikela uyisipho futhi. Kanjalo IBhayibheli lithi, ***"...zondelelani iziphiwo ezinkulu"*** (1 KwabaseKorinte 12:31). AMANDLA KANKULUNKULU AYATHUNYELWA

Phakamisa wena induku yakho, welule isandla sakho phezu kolwandle, ulwahlukanise; abantwana bakwaIsrayeli bazakuhamba phakathi kolwandle emhlabathini owomileyo (UEksodusi 14:16).

Ngesinye isikhathi ngisewumfundi semncane waseSekhondari, Ngangishumayela kwesinye isikole kubafundi abangu-500 abasebancane. Ngimi phambi kwabo, ngathi, "Bangaki kunina asebemukele uMoya oNgcwele?" Bonke baphakamisa izandla. Ngakho, ngathi kubo, "Kulungile, eGameni likaJesu yamukelani uMoya oNgcwele!" Ngalinda kepha akwenzakalanga lutho. Ngaphinda futhi ngakhuleka ngalinda, nakulokhu akwenzakalanga lutho. Ngalesisikhathi, ngadinga ukwazi eNkosini ukuthi kumele ngenzeni. Ngakho ngacela wonke umuntu ukuba akhulume nenkosi ngomkhuleko, kwathi besakhuleka, nami ngixoxisana neNkosi.

Ngokushesha, lonke iholo elinabantu abasebasha bawa ngamandla, futhi bagcwaliswa ngoMoya oNgcwele, bekhuluma ngezilimi yonke indawo!

Nasi isifundo ngalomuzwa: Amandla kaNkulunkulu ayathumeleka. Njengalokhu sifundile evesini eliyinhloko

yethu, uNkulunkulu wathi kuMose, ***"... yelula isandla sakho phezu kolwandle...."*** Kungani? Yingoba amandla kaNkulunkulu angathunyelwa. Okunye ngenkathi uPetru ekhonza indoda eyayisesangweni lethempeli elibizwa Ngomuhle, ibhayibheli lithi wabhekisa amehlo akhe kulendoda (Izenzo 3:4); wathumela amandla kaNkulunkulu kuyo futhi isimangaliso senzeka.

Njalo uma kudingeka welule izandla zakho ngasendaweni ethile noma abantu bakaNkulunkulu belulela izandla zabo kuwe ungakuthathi kancane lokho. Kunento ethile ngezandla zethu. Uma selula izandla zethu sizibhekisa emazweni, amadolobha, abantu noma ngisho izimo kanye nezigameko, kunokuphuma okudluliswayo kwamandla angcwele, asuka kithi njengemicibisholo. USEBENZA KANYE NATHI

Kepha bona bephuma bashumayela ezindaweni zonke, iNkosi isebenza nabo, iqinisa izwi ngezibonakaliso ezilandelayo. Amen (NgokukaMarku 16:20).

Kunalo abekade bezinikele ngokusebenzela iVangeli, befaka yonke abanayo, kepha kwesinye isigaba, baqala baba nokudikibala, ngenxa yezizathu ezahlukene. Abanye bavane bayeka phansi. Emva kwalokho, babesebeba nokuphila, beshumayela iVangeli, ngoba kwacaca kubo ukuthi iNkosi yayinabo kakhulu manje ngoMoya oNgcwele ngaphezu kwakuqala: wayenabo. ISONTO 16

UKUHLAKANIPHA NGOMNOTHO

Kepha womkhumbula uJehova uNkulunkulu wakho, ngokuba nguye okupha amandla okuzuza imfuyo... (UDuteronomi 8:18).

Umshumayeli 2:26 (GNB) uthi, ***"Ngokuba umuntu omuhle kuNkulunkulu uyamnika ukuhlakanipha, nokwazi, nentokozo, kepha isoni usinika usizi lokuba sibuthe, siqongelele, ukuze simnike yena omuhle kuNkulunkulu. Nalakho kuyize nokufuna umoya."*** Lena incazelo yalokhu okubizwa ngengcebo yabahedeni, uyafukuza, uyazabalaza futhi usebenza kanzima ukwenza imali eningi; kepha uNkulunkulu uthi, " Konke kuyize, kufana nokujaha umoya."

Kepha-ke, kolungileyo, unika ukuhlakanipha, ukwazi nokujabula; ukuhlakanipha ngomnotho. Ukuhlakanipha kukunika amandla ukuthola umcebo, umcebo ngaphandle kokufukuza. Igama, "ukuthola" evesini eliyinhloko yethu lingelesiHebheru, "asah" lisho amandla okukhiqiza, ukwakha noma ukwenza umcebo. Kusho ukuthi kunamandla okuwenza. Kunomehluko phakathi komcebo owenziwe izoni kanye nomcebo okhiqizwa ngamandla kaMoya kaNkulunkulu. Kungalesisizathu kungamele uhalele abangasiwo amakristu ababonakala benemali eningi, ngoba ukuhlakanipha kukaNkulunkulu—amandla omnotho—ayatholakala ukuba ngawakho futhi kukuholele engcebweni yeqiniso.

Yiba nomcabango wokuhlakanipha. 1 KwabaseKorinte 1:30 uthi uKristu wenziwe kithi waba

ukuhlakanipha. Thanda futhi wange ukuhlakanipha, uyakukukhombisa imibono yamabhizinisi kanye nezinto okumele uzenze ukwandisa izimpahla zakho. Ngokushesha, uyofumana ukuthi imicabango eza kuwe imicabango eyahlula ezomnotho kanye neminotho yalelizwe, ngoba kuphuma ekuhlakanipheni kukaNkulunkulu okusebenza ekujuleni ngaphakathi komoya wakho.

Yilokhu ibhayibheli elikushoyo: ***"Ngokuba ukuhlakanipha kuhle kunamarubi, nakho konke okungafiswa akunakulinganiswa nakho. Mina-kuhlakanipha ngakhile ekuqondeni, ngithola ukwazi namasu.... Ingcebo nodumo kukimi, ukunotha okumiyo nokulunga. Isithelo sami sihle kunegolide, kunegolide elicwengekileyo, nenzuzo yami kunesiliva elikhethekileyo. Ngiyahamba endleleni yokulunga, phakathi kwemikhondo yokwahlulela, ukuze ngenze abangithandayo badle ifa lemfuyo, ngigcwalise izindlu zabo zengcebo"*** (Izaga 8:11-12; 18-21).

UMKHULEKO

Nkosi ethandekayo, ngiyakubonga ngokunginika ukuhlakanipha, amandla kanye nekhono lokwenza ingcebo. Ungenze ngokungcwele ukuba ngihambe engcebweni, ebukhulwini, ekuphileni, empumelelweni nasekunqobeni phakade naphakade, eGameni likaJesu. Amen.

Ungalokothi ucabange ukusebenzela kwakho iNkosi evangelini akunamvuzo, ngoba nakhu ucabanga ukuthi iZwi lakhe kuwe alikafezeki. Ungavumi ukuthikamezeka; imiphumela ikhona. Ngisho naleyo osalindele ukuyibona nayo iyokwenzeka. Akukhathalekile ukuthi abanye bathini noma izimo zikhomisani; hlala ubhekile futhi uvutha usebenzela iNkosi. Beka amehlo akho kuye. YAMUKELA

...ikakhulu abemukela ukuvama komusa nokuvama kwesipho sokulunga bayakubusa ekuphileni ngalowo emunye, uJesu Kristu (KwabaseRoma 5:17).

Ngelinye ilanga sengizokhulekela othile owayegula futhi esesihlalweni sabakhubazekile iminyaka. Ngakho ngambuza, "Ngabe uzophulukiswa namuhla?" Wathi, "Yebo, kunjalo." Izenzo 3:6, uPetru wayekhuluma nendoda eyabe iyisishosha kusukela ekuzalweni kwayo wathi, ***"Isiliva negolide anginalo; kepha lokho enginakho ngikupha khona: egameni likaJesu Kristu waseNazaretha, hamba."*** Ivesini lesi-7, Siyafunda ukuthi uPetru wabamba lendoda eyisishoshs

ngesandla wayiphakamisa. IBhayibheli lithi, ***"... kwaqina masinyane izinyawo zakhe namaqakala, egxuma, wema wahamba..."*** (Izenzo 3:7-8). Indoda yayingathi kuPetru, "Ngiyacela ungangidonsi, imilenze yami ibuthaka ukuba ingithwale", chabo! Yamukela. Hallelujah!

Sinikiwe zonke izinto eziphathelene nempilo nobungcwele; zonke izibusiso zikamoya ezikhona kuKristu Jesu. Yamukela. Uma kungekho ukwamukela kwelakho isayidi, kugcina kungelutho. Ukuphendula kwakho kuNkulunkulu Kanye neZwi lakhe kuwubufakazi bokuthi wemukele. Yilokho ukholo eliyikho: ukuphendula komoya womuntu eZwini likaNkulunkulu. BUKA ENDAWENI EPHAKEMEYO

thina esingabheki okubonwayo kodwa okungabonwayo; ngokuba okubonwayo kungokwesikhashana, kepha okungabonwayo kungokwaphakade (2 KwabaseKorinte 4:18).

Umuntu kahlehle uyisidalwa sikamoya, futhi umoya unemizwa yangaphakathi. Kepha kubantu abaningi, imizwa yabo yangaphakathi ayiqeqeshiwe. Ngakho, uyathola ukuthi abaningi bajwayele lokhu abakubonayo futhi bakuthinte kulombuso wasemhlabeni, ngoba baqeqeshwe kuphela ukuchaza izinto ngokwemizwa yabo yemvelo. Lokhu kunomkhawulo!

Ungaphili impilo yakho ngokomkhawulo wemizwa yakho yemvelo. UNkulunkulu uyasitshela eZwini lakhe ukuthi kuningi ngaphezu kokuba imizwa yomuntu ingakuqonda. WAthi, ***"Kuyakuthi ezinsukwinizokuphela, kusho uNkulunkulu, ngiyakuthulula uMoya wami phezu kwayo yonke inyama; amadodana enu namadodakazi enu ayakuprofetha, izinsizwa zenu zibone imibono..."*** (Izenzo 2:17). Uma ethi izinsizwa zenu ziyobona imibono, Wayekhuluma ngekhono lokubona ngale kwalokhu okwejwayelekile; ikhono lokubona ngomoya wakho, nangaphakathi komoya wakho, imizwa yangaphakathi. Yingakho kubizwa ngokuthi imibono, ngoba lokhu okubona kulomkhathi, umuntuwemvelo ukubiza ngokungabonwa.

Ake uthathe indaba kaDavide noGolayathi, ngokwesibonelo. Wayenesiqiniseko wayezomlahla phansi uGolayathi, ngisho noma abanye babemsaba. Kungani? Wayebuka ngokwehlukile. Wabona ngeZwi ukuthi indoda, uGolayathi, owayemi phambi kwakhe wayengeke nanganaoma iyiphi indlela ahlule amabutho kaIsrayeli. Ngakho, wathi, ***"...ngubani lowomFilisti ongasokile...?"*** (1 USamuweli 17:26). Wabona lokhu abanye ababengakuboni, futhi yilokhu esikufunde evesini lethu eliyinhloko: Asibheki izinto ezibonakalayo ngamehlo emvelo, ngoba izinto ezinjalo azinasisekelo.

Yeka ukubuka ukuthi unamalini ebhange. Yeka ukubuka isimo okuso noma lokhu abantu abakushoyo ngawe. Bona lokhu okungabonwa! Ziqeqeshe ukubona ngale kwalelizwe, ngale kwezindonga futhi nemigoqo. Buka ngokweZwi. Bona ngoMoya, ezingeni eliphezulu.

UKUVUMA

UMA UNGAKUSHO, AKUYIKWENZEKA

Kuze kube-phakade, Jehova, izwi lakho limi liqinile ezulwini (Amahubo 119:89).

UJoshuwa 1:8 uveza amandla eZwi elikhulunywayo. Uthi , ***"Lencwadi yomthetho mayingasuki emlonyeni wakho...."*** Yilona isu likaNkulunkulu ngempumelelo: impumelelo kuyoyonke ingxenye yempilo yakho—umsebenzi, izimali, impilo, umndeni, izifundo, njll.—kusemlonyeni wakho. UJesu wathi NgokukaMarku 11:23, ***"Ngiqinisile ngithi kini: Yilowo nalowo oyakuthi kulentaba... futhi ...ekholwa ukuthi lokho akushoyo kuyenzeka, uzakuba nakho."*** Wabeka ukubaluleka emazwini.

Ngomlomo, uyazibeka kuleyonto oyikholiwe. IBhayibheli lithi iZwi likaNkulunkulu liyaphila futhi linamandla (KumaHeberu 4:12 NIV), kepha hayi amakhasi ebhayibheli lakho. IZwi liyaphila futhi linamandla emlonyeni womkristu olikholwayo! Ake ucabange ukunqoba kukaDavide phezu kukaGolayathi: kwenzeka ngenxa yamazwi awakhuluma uDavide. Wayazi ngeZwi elanikwa uIsrayeli ukuthi kwakungenzeke ukuba bona bahlulwe, ngoba noma ubani owayelwa noIsrayeli wayeyobhekana nomlekeleli wabo omkhulu—uNkulunkulu uMninimandla-Onke—ukuba alwe naye.

Kepha-ke, uDavide wayeqonda ukuthi ukuba nalololwazi kuphela kwakungenele; ngakho,

wakulandelisa ngokukumemezela. Wathi kuGolayathi, ***"Namuhla uJehova uyakukunikela esandleni sami; ngiyakukubulala, ngisuse ikhanda lakho kuwe, nginike namuhla izinyoni zezulu nezilwane zomhlaba izindumbu zempi yamaFilisti, ukuze umhlaba wazi ukuthi kukhona uNkulunkulu kwaIsrayeli"*** (1 USamuweli 17:46). UDavide wayekhuluma! Wakuphindaphinda ukuthi yini eyayizokwenzeka kuGoliyathi, futhi kwenzeka njengalokhu wayeshilo!

Yilawo amandla amazwi akhulunywayo. Uma ungakusho akunakwenzeka. UNkulunkulu udinga amazwi akho ukwenza okuthile, ngoba wena umele yena emhlabeni. IZwi lakho limile naphakade ezulwini; kepha-ke, kungumsebenzi wakho ukuba ulimise empilweni yakho nasemhlabeni ngamazwi akho okuvuma agcwele ukholo. Adunyiswe uNkulunkulu!

UKUVUMA

IZwi likaNkulunkulu lisenhliziyweni yami nasemlonyeni wami, likhiqiza imiphumela. Ngihamba ekuthuleni, engcebweni, ekuphileni okungcwele, ekuvikelekeni, kwinqubekela phambili kanye nasezibusisweni namuhla naphakade. UMSOMBULUKO 24

UKUVUKA KWAKHE KUSINIKE IMPILO ENTSHA

Ngakho sembelwa naye ngokubhapathizwa kukho ukufa ukuba njengalokho uKristu wavuswa kwabafileyo ngenkazimulo kaYise, kanjalo nathi sihambe ekuphileni okusha (KwabaseRoma 6:4).

Lokhu kusazisa ukuthi insindiso iza ngokukholelwa ekuvusweni kweNkosi uJesu Kristu, futhi nokuvuma ubukhona bakhe. UmKristu yilowo ozihlanganisa noKristu ovusiwe. Omunye usisi wafonela indodakazi yakhe ehlala e-United Kingdom wathi, "Ngiyeza ngizokubona ngiza nabangani ababili abayingozi ngoba sekuyisikhathi sokuba nginikile ngendodakazi yami njengalokhu ngajoyina iqembu lokuthwala. Ngakho-ke sobathathu siyeza ukuzokubona." Manje baphila emazweni ahlukene, kepha wathi, "Sizongena ngomnyango ongaphambili njengezintethe—sizobe sifana namaqhwagi amancane."

Ngakho-ke waxwayisa indodakazi, "Kuzobe kuyimina osekuqaleni, laba ababili bazobe belandela ngemuva, kuzomele ubabulale ngokushesha, ngoba nabo njengalokhu beza lapho inhloso yabo ukubulala wena." Ngelanga alishoyo indodakazi yayibalindele e-UK, ngempela lezi zintethe zangena ngomnyango, enye emva kwenye, nakuba wayethukile kepha wenza njengalokhu eyalwe ngunina, ngesikhathi esezibulele lezi zintethe ezimbili, le eyokuqala (okungunina), yanyamalala. Inqwaba yamadimoni (olegiyona) bacela imvume kuJesu ukuba bangene emhlanjini yezingulube (ngokukaMarku 5:11-13).

Impilo ingumoya. Kunezinto okungamele wazishalazela noma uzizibe, okunjenge "zinhlungu ezincane"; yilwa nazo ngezwi likaNkulunkulu nangeGama likaJesu. Ezinye izinkinga ezinkulu zisuke ziqhamuka kulokhu obekubukeka kukuncane. Abakusebenzisi abakunikwa nguJesu, eGameni leNkosi, iGunya lakhe, bese kugcine sekudala ukufa.

Khuluma ngokushisa wonke amabiji akho? Yilokho-ke!

Yiba yisishoshovi sevangeli. Akukho isitha esingakubeka phambi kwakho kukwahlule uma uzokuma wenqabe ukwahluleka. Khumbula ukuthi uNkulunkulu ukubone ufanelekile futhi wethembekile ngaleli vangeli. UQOBO LWAKHO OLUSHA KUKRISTU

Okudumisekayo kukhulunywa ngawe-muzi kaNkulunkulu. Sela (Amahubo 87:3).

Kuneziningi izincazelo ezinhle nezikhazimulayo ngesidalwa esisha emibhalweni. Kungenye yezizathu kumele utadishe iBhayibheli ukwazi kakhulu ngalezozinto ezikhazimulayo ezikhulunyiwe futhi zabhalwa ngawe eZwini. Yiliphi igama uNkulunkulu akubize ngalo? Ngesinye isikhathi, uthola ngisho abafundisi kanye nezikhonzi zevangeli abanezinkinga namandla amadimoni ezinkonzweni zabo. Baqoqa abantu ndawonye, ngokushesha, amadimoni aqale inkathazo, futhi ibandla lishiywa lihlakazekile; kumele baqale phansi futhi. Izinto ezinjengalezi ziyenzeka kubantu, zibadalela ukukhathazeka ngoba bengaqondi, ngakhoke, abenzi lokhu uJesu asitshele ukuba sikwenze, okuwukuchitha amadimoni.

IZWI EMOYENI WAKHO

Namukele futhi isigqoko sensindiso, nenkemba kaMoya eyizwi likaNkulunkulu (Kwabase-Efesu 6:17).

Yilokhu okwenza umehluko phakathi komuntu okhuluma imibhalo eyisusela ekhanda, nomuntu okhuluma imibhalo ngoba leyomibhalo ithole indawo ngaphakathi kuye. Yilokhu okwenza uDavide ahluka kuwo wonke ama-Israyeli. Bonke babesokiwe futhi babesazi isivumelwano, kodwa baba nokwesaba phambi kukaGoliyathi. Akekho kubo owakwazi ukubhekana nesidlakela.

Kodwa uDavide waqhamuka, wamangala ukuthi kungani bonke abantu babesaba uGoliyathi, wathi

kubo, ***"...ngubani lowo mFilisti ongasokile ukuba ayeyise impi kaNkulunkulu?"*** (1 USamuweli 17:26). Wayesho ukuthi, "Thina sisokile, ngenxa yokusoka singabakaNkulunkulu. Kodwa lomuntu akasokile; akanaye uNkulunkulu!" Ukusoka kwakusho okuthile kuDavide abanye ababengakwazi.

Yilokho okwenzakalayo uma ngabe iZwi lisemoyeni wakho. UJesu wathi, esiswini sakho kugobhoza imifula yamanzi – amanzi atheliwe – okuphila (NgokukaJohane 7:38). Incwadi kwabaseKolose 3:16 ithi, ***"Izwi likaKristu alihlale phakathi kwenu, livame...."*** Funda izwi ngokuliphanga, bese uyazindla ngalo. Yiba neZwi enhlizweni yakho nasemlonyeni wakho; liyokwenza isimangaliso futhi likunike umqondo wokunqoba. Makabongwe uNkulunkuliu!

UNEGUNYA PHEZU KWAMADIMONI

Lezi zibonakaliso ziyakubalandela abakholwayo; NgeGama lami bayakukhipha amadimoni, bashumayele ngezilimi ezintsha; (ngokukaMarku 16:17).

Ngaphambi kokufika kukaJesu abantu babengenalwazi olwanele ngamadimoni kanye nemimoya emibi. Konke ababekubona kwenzeka babethi kuyingxenye yempilo kwaze kwaba ngukufika kukaJesu.

Ukwenza isibonelo, Usinike ulwazi lokuthi konke ukugula nezifo kunosathane ngemuva kwazo. Uma beletha umuntu ongezwa noyisimungulu kuJesu, iBhayibheli lithi, wayikhipha leyo mimoya. Khona manjalo, izimungulu zezwa, zaala ukuzwa, nezithulu zavuleka. NgokukaLuka 11:14 uthi, ***"Wakhipha idimoni, laliyisimungulu, kwathi seliphumile idimoni, wakhuluma oyisimungulu, abantu bamangala."***

NgokukaMarku 1:32-34 usivezela elinye iqiniso futhi: ***"Kwathi ngokuhlwa, baletha kuye bonke abagulayo, abacindezelwe ngamadimoni. Bonke abantu basondela lapho ekhona, waphulukisa abaningi ababecindezelwe yizifo ezinhlobonhlobo, wakhipha amadimoni, wathulisa amadimoni ngoba babemazi."*** Baningi nanamuhla abangenalwazi ngemisebenzi yobumnyama yamadimoni, kepha-ke iqiniso limile ikhona imimoya yobumnyama futhi imosha izimpilo zabantu. Kwesinye isikhathi, uthola umuntu onenhliziyo encane oshesha acasuke. Bese bethi ubaba wakhe wayenjalo bacabange ukuthi yinto elungileyo, kepha

akunjalo. Ngumoya omubi lowo owenza lezo zinto.

IBhayibheli likhuluma ngomoya ongcolileyo, owenza abantu bangcole futhi benze imisebenzi yobumnyama kwabanye abantu. Abanye bayimbangela yokuhlukumezeka kwabanye abantu. UPetru wayenikwe ukubeka izinto obala, kepha uPawulu yena wayehlaziya amaphuzu ngevangeli ukuthi kufanele ibandla liziphathe kanjani futhi liqhube kanjani. Wabhala ngesakhiwo sebandla, nesidalwa

esisha kuKristu wabhala ngezambulo "izincwadi"—izincwadi emabandleni.

Manje kunezwi likaNkulunkulu elishunyayelwa kuwe (incwadi), owayamukela ukuze ube "yincwadi kaKristu," kepha lokho ngeke kwanela ngempilo uNkulunkulu akubekele yona ukuba uyiphile. Yebo, yalinyazwa ngenxa yeziphambeko zethu, yachotshozwa ngobubi bethu; isijeziso sasiphezu kwayo ukuba sibe nokuthula (UIsaya 53:5).

UMSINDO UYINTO EPHILAYO

UNkulunkulu wathi: Amanzi mawagcwale uswebezane lwezilwane eziphilayo, kundize izinyoni phezu komhlaba emkhathini wezulu (UGenesise 1:20).

Kuyamangaza kakhulu esikufunde evesini lethu esivule ngalo kanye nawowonke uGenesise 1, ngenkathi uNkulunkulu ekhuluma indalo ukuba ivele. Kuveza ukuthi akusikho nje kuphela ukuthi umsindo unamandla, uphethe ukuphila; uyinto ephilayo. Ngenkathi uNkulunkulu ekhuluma namanzi, umhlaba Kanye nobumnyama kuGenesise, wafaka ukphila kukho.

Kanjalo, yonke indalo, kufaka nalokhu okuchazwa njengokungaphili, kunempilo kukho. Sinye isizathu umuntu ebiza lezozinto ngezingaphili ngoba akanakuqonda ukuphila ngale kokuchaza kokwemvelo, ngakho akakwazi ukuthola okwanele 'ukukala' impilo kulezozinto. Kepha zinokuphila kunjalo, ngamandla eZwi likaNkulunkulu.

UNumeri 20:8 ngokwesibonelo, uNkulunkulu watshela uMose ukuba akhulume netshe: ***"... nikhulume kulo idwala eliphambi kwamehlo abo ukuba liveze amanzi alo; uyakubavezela amanzi edwaleni, ukuze unike inhlangano nezinkomo zayo ukuphuza."*** Kungani uNkulunkulu atshele uMose ukuba akhulume netshe? Yingoba itshe lalinokuphila, ubuhlakani kanye nokukhumbula. Njengayo yonke into empilweni, kwakuhlelwe ukuba kuphendule emazwini, ngoba konke kwadalwa ngamazwi.

UJesu wakhuluma nesihlahla somkhiwane, futhi soma kusukela ezimpandeni (NgokukaMarku 11:14, 20-21). Uma indalo yavela ngesizathu

samazwi akhulunywa nguNkulunkulu, kusho ukuthi kunamakhodi omsindo kuzozonke izinhlayiya, into, noma impahla; ngakho, konke kungaphendula kwikhodi yomsindo esiyidedelayo ngamazwi ethu. Lokhu kuchaza ukuthi isisekelo sengxenye yento umsindo.

Siyabona uHezekeli esigodini samathambo omileyo: uJehova wathi kuye, "Profetha kulamathambo." IBhayibheli lisicacisela kahle ukuthi lawomathambo ayomile kakhulu; "engenampilo"; kepha ngamazwi kaHezekeli amathambo anyakaza, futhi uMoya wangena kuwo (UHezekeli 37:1-10). Ngokufanayo, uuungasebenzisa amakhodi omsindo afanele—ukwakha uhlobo lwempilo oyifunayo. Akukhathalekile ukuthi isimo sakho manje sinjani; ungashintsha umgudu wempio yakho ngamazwi futhi wenze ukuba kuhambisane nepulani kaNkulunkulu ngawe. Inkazimulo ibe kuNkulunkulu!

UMKHULEKO

PHILA NGAPHEZULU KWEZIDINGO

UNkulunkulu wami uzakugcwalisa ukuswela konke kwenu njengokwengcebo yakhe ekukhazimuleni kuKristu Jesu (KwabaseFilipi 4:19).

Abaningi basezingeni lobuntwana ohambweni lwabo noNkulunkulu; imikhuleko yabo ihlale igcwele ukucela izinto zezimpahla: bafuna umuzi omusha, imoto, iwashi lohlobo oluphambili, noma izingubo, imali, njll. Iqiniso ukuthi okhu akusikho okukaNkulunkulu okungcono afuna ukukunika khona; afuna ukukunika khona iZwi lakhe emoyeni wakho. Yilokhu okubaluleke kakhulu empilweni yakho.

Kungenzeka ubuze, "Kanti akashongo yini uNkulunkulu ukuthi asicele noma yini esiyifunayo?" Lengxenye yombhalo ethi, ***"Celani, khona nizakuphiwa... Ngokuba yilowo nalowo ocelayo uyamukeliswa...."*** (NgokukaMathewu 7:7-8). Eqinisweni, ngamazwi kaJesu lawa, kepha kuqala, ngenkathi ufunda imibhalo, umele ubone ukuthi, lapha kahlehle wayekhuluma nebandla lamaJuda ngaphambi kwensindiso. Kwakungasiwo umyalezo weBandla. Umele uqonde ngalomyalezo ubusisa umkristu ongumntwana, hayi osekhulile ngokukamoya.

UPawulu wathi, "Ngisewumntwana, ngakhulumisa okomntwana, ngacabangisa futhi ngenzisa okomntwana"; kepha lapho ngiba yindoda, ngalahla izinto zobuntwana (1 KwabaseKorinte 13:11). "Celani, khona nizakuphiwa" kungokwabantwana. Uma usufika ebudaleni, uyaqonda ukuthi zonke izinto zingezakho (1 KwabaseKorinte 3:21). Ngenkathi ukhula olwazini

UKUTHINTA IMIPHEFUMULO NGEVANGELI

Nina ningukukhanya kwezwe. Umuzi owakhe entabeni ungesitheke (NgokukaMathewu 5:14).

Siyafunda encwadini yezenzo ukuthi uNkulunkulu wenza imimangaliso emininingi engajwayelekile ngezandla zikaPawulu. Amaduku namaphinifa athathwa emzimbeni wakhe, ngenkathi lezozindwangu zibekwa kwabagulayo, baphiliswa futhi nalabo ababecindezelwe amademoi bakhululwa.

Into enhle okumele iphawu;leke ukuthi, amaduku namaphinifa awenzanga lutho; kwakungenakho ukuhlakanipha. Kodwa kwakuthelelwe ngoMoya kaNkulunkulu owawukubo, abakwazanga ukwenza utho ngawo waze wadluliswa kuPawulu, wayiswa lapho okwakunesidingo sawo—kwabagulayo nabagqilazekileyo.

Ngakho-ke, faka inkazimulo emsebenzini owenzayo; bonakalisa ubuhle nokupheleliswa kukaKristu okusemoyeni wakho.

Kuyoba yincithakalo ukuba noMoya oNgcwele kodwa uphile impilo eyejwayelekile. Uma ngabe bekunguwe kuphele ogcwaliswe ngoMoya Ongcwele edolobheni noma ezweni lakho, kumele kube nezimpawu eziveza umphumela weVangeli. KHULUMA UKHOLO LWAKHO NGOKUZETHEMBA

Ningadakwa yiwayini, kuvela kulo umhumheko, kodwa nigcwaliswe ngoMoya (Kwabase-Efesu 5:18).

Kungani uPetru, umfundi kaJesu Kristu, aphika uJesu kathathu? Yingenxa yokwesaba. Wayesaba ukuthi angaboshwa futhi abulawe, uma ngabe ekhuluma ngokuvulelekile ukuthi uyamazi uJesu. Awuke ucabange ukuthi ubani owambuza lokho; owesifazane osebenza endlini, hhayi amasosha. Nakuba kunjalo, uPetru ngokwesaba, wayiphika iNkosi.

Lokhu kusenzeka nanamhlanje. Abaningi baphila ngezithunzi zabanye, labo abangabazi, abangasho okuthile ngabo noma benze okuthile kubo ngenxa yokuba bezibandakanye noJesu. Kodwa hhayi lapho ugcwaliswe ngoMoya oNgcwele! Ungakhathazeki uma ngabe ubandlululwa noma uhlekwa usulu ngenxa kaJesu Kristu? Lokho kuyisibusiso—isibusiso esikhulu kakhulu— "ukuphoxeka" noma ukuhlushwa ngenxa yakhe.

Unkulunkulu ukunike uMoya wakhe ukuba uphile kuwe futhi wakupha isibindi ukuze ungesatshiswa noma ube novalo lokumemezela ngoJesu Kristu ngokusobala futhi ukhulume ngokholo lwakho sonke isikhathi lapho unikwa ithuba. Ngesikhathi uPetru owayegcwele uvalo emukela uMoya oNgcwele, impilo yakhe yaguqulwa;

kwaphela ukwesabakuye! Phakathi kwesixuku esikhulu esasesabisa ngesikhathi sePentekoste, wamemezela iVangeli ngesibindi ngamandla aletha umphumela wokuzuzwa kwemiphefumulo emininingi eyalethwa eMbusweni. Haleluya!

Kunodumo ukwazi futhi nokusebenzela uJesu. Zethembe ngokwazana futhi nobudlelwane naye. Ungakhathazwa ukuthi bathini abanye noma bazokwenzani ngawe ngenxa yothando lwakho ngaye. Msebenzele ngenhliziyo yakho yonke futhi umphilele yena ngeqiniso.

UMKHULEKO

Baba othandekayo, ngingohloniphekile futhi nginentokozo ngokuba ngaziswe nguJesu. Nginobufakazi obungoncomekayo bokuthi ngingubani, futhi ngiyakwazi lokho! Ngihlala njalo nginokuzethemba, nginomdlandla futhi ngilungele ukumemezela izindaba zamandla ensindiso yakho, ngigcwalisa inkonzo yami eVangelini, egameni likaJesu. Amen.

UMSOMBULUKO 11

YANELISEKA YILOKHU ONAKHO

Ukwenza kwenu makungabi-ngokokufisa imali; yaneliswani ngeninakho; ngokuba yena ushilo wathi: Angisoze, ngakushiya (KumaHeberu 13:5 NIV).

UNkulunkulu ufuna izimpilo zethu zingabi nokuhawuka; ungahawukeli lokho okungokwabanye. Yaneliseka yilokhu onakho. Lokhu akusho ukuthi akumele uphuphe noma ufise ukuba semazingeni amakhulu empumelelo; kepha, kugcizelela ukuba ngowanelisekile futhi nokuqonda ukuthi lokhu onakho kwanele ukuba uthole noma yini oyifunayo. Kepha iqiniso lempela ukuthi akukho ongenakho.

Ibhayibheli lithi konke kungokwenu (1 KwabaseKorinte 3:21); okuhle kunalokho, uKristu ukuwe, futhi uKristu uyikho konke. Ngakho, kuye unazo zonke izinto. Uma isishosha eangweni lethempeli elibizwa omuHle licela uPetru noJohane ukuba bamabele izipho, uPetru akashongo ukuthi, "Anginakho lokhu ongicela khona," futhi wahamba; wayazi khona anakho, futhi lokhu ayenakho kwakwanele ukukhiqiza noma yini enye eyayidingeka. Wasebenzisa lokho ayenakho: igama likaJesu ngamandla kaMoya oNgcwele ukwelapha futhi nokubuyisela ukuphila emalangeni ayefile futhi akhubazekile alendoda.

Hlale njalo unokuqonda ngalokhu onakho; amandla nenkazimulo kuKristu emoyeni wakho. Inhliziyo yakho indawo yokuhlala iNkosi; uyazi ukuthi lokho kuchazani? Amandla kaNkulunkulu ayasebenza kuwe. Kungenzeka kanjani ukuba kube khona owazi lokhu futhi abenokweswela noma nesidingo noma abe nomona ngabanye? Yingakho lolulwazi luza kuwe manje, ukuze ube nokwaneliseka futhu neqholo lalowo onguye, nalokho onakho futhi nakho konke uKristu ayikho kuwe nakuwe, futhi wakwenza emoyeni wakho.

UKUTHOBEKA KANYE NOBUKHULU

Kodwa unika umusa ngokwenezela; ngakho uthi: UNkulunkulu umelana nabazidlayo, kepha abathobekileyo ubapha umusa (EkaJakobe 4:6).

Ezimfundisweni zikaJesu, wayebonakalisa ukuzithoba. Ngenkathi sekuyisikhathi sokuba abhaphathizwe, akazibonanga emkhulu kunoJohane, ngisho noma wabe eyiNdodana kaNkulunkulu. Kepha, wavumela ukuba imibhalo igcwaliseke (Funda NgokukaMathewu 3:13-15). Yingoba abantu abakhulu ngokweqiniso bathobekile futhi bakhuthazwa yinto yinye kuphela: ukugcwalisa iZwi likaNkulunkulu; ukwenza izinto ngendlela kaNkulunkulu. Futhi bayavuseleleka ukuba babe yisikhonzi.

UJesu wathi kubafundi bakhe, ***"yilowo nalowo ofuna ukuba-mkhulu phakathi kwenu makabe-yisikhonzi senu"*** (NgokukaMathewu 20:26). Akashongo nje kuphela kubo lokhu, wakwenza ngokuwasha izinyawo zabafundi bakhe. Ngokunjalo wachaza ngesenzo sakhe, ethi, ***"Ningibiza nithi: Mfundisi, Nkosi, nisho kahle, ngokuba ngiyikho. Uma-ke mina, iNkosi noMfundisi, ngigeze izinyawo zenu, nani-ke nifanele ukugezana izinyawo. Ngokuba ngininike isibonelo ukuba nenze nani njengokuba ngenzile kini. Ngiqinisile, ngiqinisile ngithi kini: Inceku ayinkulu kunenkosi yayo, nothunyiweyo kamkhulu kunomthumileyo. Uma nazi lokho, nibusisiwe uma nikwenza"*** (NgokukaJohane 13:13-

17).

KwabaseFilipi 2, siyafunda futhi ngokuthobeka kwakho okungelinganiswe. Noma wabe enguNkulunkulu uqobo, wazithoba futhi wafa ukufa kweselelesi ngenxa yethu. Kepha bheka umphumela wokuthobeka kwakhe: ***"...Ngalokho-ke uNkulunkulu wamphakamisa kakhulu, wamnika igama eliphezu kwamagama onke, ukuze kuthi ngegama likaJesu amadolo onke aguqe, awabasezulwini, nawabasemhlabeni, nabawangaphansi komhlaba, nezilimi zonke zivume ngokuthi uJesu Kristu uyiNkosi, kube-yinkazimulo kuNkulunkulu uYise"*** (KwabaseFilipi 2:6-11). Hallelujah!

KwabaseFilipi 2:5 uthi, ***"Mawube-kini lowomqondo owawukhona kuKristu Jesu"***; okuchaza ukuthi yenza njengokuthobeka kwakhe. Kuyindlela yobukhulu, akukho ndlela enqamulelayo. Ngaphambi kokubhujiswa inhliziyo yomuntu iyaziqhenya; ukuthobeka kwandulela udumo.

UMKHULEKO

Baba othandekayo wasezulwini, ngiyakubonga ngokukhanyiseleka ngemibhalo. Ngiwumphumela weZwi, futhi ngihamba ngokuthobeka nangothando, nginokuqonda ngomusa wakho ongithwalayo endleleni yami yobukhulu eyaphezulu naphambili, eGameni leNkosi uJesu. Amen.

AMANDLA OKUPHULUKISA

Kodwa uPetru wathi: Isiliva negolide anginalo; kepha lokho enginakho ngikupha khona; egameni likaJesu Kristu waseNazaretha, sukuma uhambe (Izenzo 3:6).

Umkristu akusiye ogulayo odinga ukuphulukiswa. Okubuhlungu, lokhu kungukuqonda kwabaningi. Njengozelwe kabusha, unempilo kaNkulunkulu; impilo "engenakubola" . Njengalokhu uJesu athi, umkristu unamandla okuphulukisa, ubizwe nguNkulunkulu ukuthatha lokhu kuphilisa akuse ezweni. Tadisha imibhalo futhi uyothola ukuthi yilokhu uJesu akwenza; iBhayibheli lithi wayehamba enza okuhle, ephulukisa bonke abangaphansi kwamandla kasathane (Izenzo 10:38).

Abapostoli benza into efanayo; bakhonza abagulayo ngokubaphulukisa. Sifundile, ngokwesibonelo ngoPetru noJohane kwiZenzo 3, bengena ethempelini futhi babona isishoshs esasinxiba sihleli esangweni lethempeli, sicela ukwabelwa izipho kubobonke ababengena futhi bephuma ethempelini. Impendulo kaPetru yayivuselela kakhulu, wathi, ***"...Isiliva negolide anginalo; kepha lokho enginakho ngikupha khona; egameni likaJesu Kristu waseNazaretha, sukuma uhambe. Wayesembamba ngesandla sokunene, wamsukumisa; kwaqina masinyane izinyawo zakhe namaqakala"*** (Izenzo 3:6-7).

Qaphela ukuthi lokhu uPetru amnika khona kwakungesiwo "umkhuleko" noma amandla okukhuleka. Yilapho amakristu amanye aphambuka khona; bacabanga ukuthi uNkulunkulu wasinika

"amandla okukhulekela abagulayo"; chabo! Wasinika amandla okuphulukisa abagulayo. Funda NgokukaMathewu 10:1; ithi, ***"Wayesebabiza (uJesu) abafundi bakhe abayishumi nambili, wabanika amandla phezu kwawomoya abangcolileyo ukuba babakhiphe, nawokuphulukisa izifo zonke nokugula konke."*** UJesu wasinika amandla ukuphulukisa lonke uhlobo lokugula, Kanye nazo zonke izifo, hayi ezithile, kepha ZONKE. Ngakho akwenzi mehluko ukuthi isimo esinjani; unamandla okukwelapha.

UJesu wathi NgokukaMarku 16:17-18, ***"Lezi zibonakaliso ziyakubalandela abakholwayo, ngegama lami bayakukhipha amadimoni, bashumayele ngezilimi ezintsha; baphathe izinyoka; uma bephuza okubulalayo, akusoze kwaba nangozi; bayakubeka izandla phezu kwabagulayo, basinde."*** Kusebenzise lokhu onakho. Nqaba ukuvumela usathane azenzele empilweni yakho noma ezimpilweni zabathandiweyo bakho ngohlobo lokugula. Ungumphulukisi; hamba kulokho kuqonda.

UMKHULEKO

Baba othandekayo wasezulwini, ngiyakubonga ngomusa wakho kanye nenkazimulo esebenza kimi ukukhonza abagulayo ngokuphulukisa. Ngiyavuma impilo yakho engcwele ekimi ichitha ukugula, izifo kanye nokufa, eGameni likaJesu. Amen.

UKWAZI" KOKHOLO

Kepha ukukholwa kungukuqiniseka ngezinto ezithenjwayo, kuyiqiniso ngezinto ezingabonwayo (KumaHeberu 11:1).

Ubudlelwano bethu neNkosi bungobokholo. Akwenzi mehluko "uzizwa" kanjani ngaphandle; imizwa yenyama ayinakwenzanto yalutho ngakho. Ngesinye isikhathi umuzwa wethu ngaye futhi nanaye awunakuchazwa ngamazwi obuntu; kepha-ke, kunokujula okungaphakathi "kokwazi," ukuqonda okusemoyeni wakho.

Kuletha emqondweni indaba yowesifazane owayenomopho NgokukaMarku 5. Wayesehlukumezeke ngalomopho iminyaka eyishumi nambili, futhi odokotela abakwazanga ukumsiza. IBhayibheli lithi, "Esezwile ngoJesu, weza esixukwini ngasemumva, wathinta ingubo yakhe." Ivesi elilandelayo lithi, ***"Kwanqamuka masinyane umthombo wegazi lakhe; wezwa emzimbeni wakhe ukuthi uphulukile enhluphekweni yakhe"*** (NgokukaMarku 5:27-29). Wazi kanjani ukuthi "umuzwa" ayewuzwa emzimbeni wakhe kwakungowokuphulukiswa? Kwakuwukholo lwakhe olusebenzayo!

IBhayibheli alisho ukuthi, "Wabona ukuthi umopho wabe usumile," kepha lithi "wezwa emzimbeni wakhe ukuthi wayesephulukisiwe." Yilowo umuzwa wokholo. Endabeni yendoda eyayiyisishosha esangweni lethempeli elibizwa ngokuthi oKuhle njengalokhu

kulotshwe kwiZenzo 3, ngenkathi uPetru emkhulekela, iBhayibheli lithi izinyawo zakhe namaqakala kwaqina (Izenzo 3:7). Amathambo awanamizwa; ngakho, kwakungeke kube "umuzwa" wokwenyama. Kepha kunento eyangena ezinyaweni nasemathanjeni akhe, futhi uNkulunkulu wayazi, wathi izinyawo namathambo akhe amukela amandla aqina. Umphumela kwaba ukuthi lendoda yagxuma futhi yahamba. Ukholo lwakhe lwabe lusebenza; waphendula, futhi ekuphenduleni kwakhe, amandla ezwi elakhulunywa uPetru labonakaliswa futhi isimangaliso sakhe senzeka.

Kungikhumbuza futhi ngalokho esikufunda ngoDavide; iBhayibheli lithi "wabona" ukuthi uNkulunkulu wambeka njengenkosi yakwaIsrayeli. Lokhu kwakungesilo nje ulwazi lwenqondo noma lwenyama; kwakungukwazi emoyeni wakhe. Kunolwazi lokholo, ukuzwa kokholo, umuzwa noma ukubona kokholo, njengalokhu uzwela ekuholweni nasekuyalweni nguMoya oNgcwele, kanye neZwi.

UMKHULEKO

Baba othandekayo, ngiyakubonga ngokushisekela kukamoya onginike khona. Nginokunakekela ukuholwa nokuyalwa nguwe, futhi ngiyazi ukuthi ngenzeni ngezikhathi zonke; ukuzuza kwami ngeZwi kuyabonakala, eGameni likaJesu. Amen.

UKUPHILA NGOKHOLO

(ngokuba sihamba ngokukholwa, asihambi ngokubona:) (2 KwabaseKorinte 5:7).

Lamazwi abalulekile kaMoya abhalwa uPawulu umpostoli ebhalela amakristu aseKorinte anika ngokucophelela nangokucacile ukucubungula ngempilo yobukristu: Siphila ngokukholwa, hayi ngokubona. Iqiniso elifanayo liyagcizelelwa KwabaseRoma 1:17: ***"...Olungileyo uzakuphila ngokukholwa."***

Kubalulekile ukuqonda ukuthi ubukristu buyimpilo yokholo; ayinakwenza lutho nezinzwa zakho. Wazalwa kabusha ngokholo, futhi uphila kuphela impilo yobukristu ngempumelelo ngokukholwa, ayikho enye indlela!

Ukholo luyindlela yokuphila; akusiyo into oyicoshayo noma nini uma ufuna ukuthola okuthile eNkosini. Ungaqinisa ukholo lwakho, uluvuse, ulikhulise noma ulwandise. Ukuphila ngokholo ukuphila emoyeni wakho ngokweZwi likaNkulunkulu. Ubuka esibukweni sikaNkulunkulu futhi uyaguqulwa (uyashintshwa, aguqulwe) uyiswe emfanekisweni ofanayo wenkazimulo kaNkulunkulu owubonayo, enkazimulweni kuya enkazimulweni (2 KwabaseKorinte 3:18).

Ngenkathi ukwenza lokhu, amandla empilo

eMbusweni ayavezwa kuwe futhi adedelwe ezweni lakho. Asebenza ngaphakathi kwakho futhi adonsela kuwe abantu, amasu, izimo kanye nezimpahla. Uma umemezela ukuthi unamandla phezu kukasathane, izwe, nezimo zalo, leloqiniso liyenzeka njengokusho kwakho. Hallelujah!

KumaHeberu 11:6 uthi ngaphandle kokholo, awunakumthokozisa uNkulunkulu; lokho kusho ukuthi awunakumphilela. Ukumthokozisa ukuphila ngokholo nsuku zonke, okuchaza ukuthi yonke into empilweni yakho ihamba njengokweZwi lakhe. Iqholo lakho lisemaqinisweni aphakade oMbuso hayi okomhlaba, okuhambayo, nokuyizimo zesikhashana zempilo (2 KwabaseKorinte 4:18). Inkazimulo ibe kuNkulunkulu!

UKUVUMA

UYENA KUPHELA INDLELA YOKUPHUMA

Ayikho insindiso ngomunye, ngokuba alikho futhi elinye igama phansi kwezulu elinikiwe ebantwini, esimelwe ukusindiswa ngalo (Izenzo 4:12).

Kunezinhlobo ezintathu zesono. Olokuqala, yisono osamukelisiwe. Ibhayibheli lithi, ***"Ngakho-ke njengalokho isono sangena ezweni ngamuntu munye, nangesono kwangena ukufa, ngokunjalo ukufa kwafikela abantu bonke, lokhu bonke bonile"*** (KwabaseRoma 5:12). Isono sika-Adamu sadluliselwa kubo bonke abantu. Wonke umuntu owavela ngo-Adamu waba yindlalifa yokona kuka-Adamu. Into embi kangaka! Kodwa lokho kuyiqiniso.

Olwesibili, "yisono umuntu athwaliswe" sona. Ukushunyayelwa kwesono kungenxa yomthetho obekiwe, wena angeke ube yilowo onecala. Embhalweni kaJoshuwa 7, sifundile ngokuthi abantwana bakwa-Israyeli bakhokhelwa kanjani ngesono esenziwa umuntu oyedwa, u-Akani. Emva kokuba benqobe isizwe esikhulu, abantwana bakwa-Israyeli babelungiselela ukunqoba esinye isizwe esincane. Ngaphambi kokuba bahlasele iJeriko, uNkulunkulu wabayala wathi, ***"Uma ngabe nifika kuleyo ndawo, ningathathi lutho lwabo; nichithe konke"*** (uJoshuwa 7:11).

Kodwa u-Akani wathatha ijazi nezinye izimpahla, wazifihlela khona (uJoshuwa 7:20-21). Umphumela kwaba yilona? Umhlaba wonke (Israyeil) wahlulwa yimpi. Isono somuntu sathwaliswa izwe lonke. Ngaphandle kwefa, ukona kuka-Adamu kwathwaliswa bonke abantu. Akumelanga uze wone njengomuntu; lokhu

kuyisono ngokokubekwa ngezinga nesigaba, wonke umuntu uba yingxenye yalokho kona. Kunjengokuthi, uMongameli wezwe enze isivumelwano noma abeke imithetho engemihle; leyomithetho iba nemithelela esizweni sonke.

Uhlelo lwesithathu lwesono, "isono somuntu uqobo." Lesi yisono osenze wena qobo lwakho. Eqinisweni, wonke umuntu ozelwe kulomhlaba unemvelo yesono futhi lokho kudinga insindiso. Uma ngabe umuntu ethi ukhululiwe esonweni sakhe, uthini mayelana nesono esiyifa lakhe noma abelwe lona? Makabongwe uNkulunkulu! Insindiso —ukukhululwa komuntu ngokwemvelo yomuntu owile, ukonakala nayo yonke imithelela yakho, futhi nokudalwa kabusha komoya wakhe futhi nokubuyiswa kobudlelwano noNkulunkulu, kuyenzeka futhi kukhona ngoJesu Kristu! Uyindlela yokuphuma kunoma yisiphi isimo!

Yingakho sishumayela iVangeli; ukuze bonke abantu bakholwe nguJesu Kristu futhi bamukele ukuthethelelwa kwezono, impilo nemvelo kaNkulunkulu. Haleluya!

UMKHULEKO

Nkosi ethandekayo, ngiyakubonga ngomusa wokwamukela iVangeli elingamandla akho okusindisa, ukuphilisa nokukhulula. Ngikhulekela izoni emhlabeni, ukuba isikali sisuswe emehlweni abo ukubona izono zabo futhi nokwamukela ukuhlengwa okukuKristu, egameni likaJesu. Amen.

ISIZATHU SOBUKHONA BAKHO

Kholwani yimi ukuthi ngikuBaba, noBaba ukimi; uma kungenjalo, kholwani ngenxa yalemisebenzi (NgokukaJohane 14:11).

Enye yezinto engikholwa ukuthi uNkulunkulu wangisiza ngayo ukuyazi empilweni, ukuthi ngingubani, kwaba ukwazi injongo yobukhona bami. Kwesinye isikhathi ngiye ngimangale ukuthi, "Kusukela ekuqaleni, kungani abantu bephila uma ngabe ekugcineni, befa?" Lokhu kwaba umbuzo engangidinga impendulo kuwo. Lapho ngifunda ngoJesu, ngangifuna ukwazi ukuthi, "Kungani uJesu eza?" Ngenkathi iminyaka ihamba, ngoMoya kaNkulunkulu, ngayithola impendulo yempilo; ngathola ukuthi kungani abantu bephila futhi lokho kwaguqula impilo yami.

Cabanga ngalokhu: iyiphi into emhlabeni ongayibheka njengento engapheli, enokwanelisa okungunaphakade? Ufuna ukuba umhlaba kube ngowakho? Kunabantu ngaphambi kokuba ubekhona, ababenikwe umhlaba wonke. Awuke ucabange ngoFaro, oSiza; babusa umhlaba; babenakho konke. Eqinisweni, babehlonishwa njengoNkulunkulu. Kodwa ngikutshele indaba? Lapho sekufika isikhathi sabo, badlula kulomhlaba futhi konke kwaphela ngabo. Ngakho-ke, yini oyifunayo empilweni? Ukuphakanyiswa ngabantu? Udumo? Ukuzanelisa wena? Baningi ababenalokho ngokuchichima, kodwa konke lokho akuguqulanga lutho.

Ngaphandle kokuba uthole injongo yakho ngempilo, awukaphili. Ubudlelwano noNkulunkulu abufani nokuba umngani nje naye; abusho ukuba

seduze naye kuphela; busho ubunye naye, nihlanganiswe yinjongo efanayo. Lena yinto enkulu kakhulu ongayazi — ukuba nobudlelwano neNkosi futhi umazise njengalowo omaziyo futhi naye akwaziyo. Yileyo injongo yokuphila. Ukwazi ukuthi uyakuthanda uNkulunku, futhi nawe uyamthanda, bese uhamba naye ukuze uqonde ukuthi kuyini ukuba kuNkulunkulu futhi noNkulunkulu kuwe. Lona kwakungumkhuleko kaJesu kuBaba mayelana nathi, ***"...ukuze babe munye, njengalokhu thina simunye"*** (ngokukaJohane 17:22). Okukhulu kakhulu umuntu angakwazi, ukuzitholela ngoNkulunkulu futhi nokumthola kuwe. Ungasho njengoJesu, uthi, ***"NgikuBaba, noBaba ukimi"*** (ngokukaJohane 14:11); ubudlelwano benkazimulo obuguqula indlela obheka ngayo izinto futhi nakho konke mayelana nempilo yakho. Ngalokhu kuqonda, uyozitholela indawo yakho emzimbeni wakhe—umzimba kaKristu, bese ufeza leyonjongo.

UMKHULEKO

Baba othandekayo, ngiyabonga ngokungibizela ebudlelwaneni nendodana yakho uJesu Kristu. Manje sengiyakwazi ukusho ngesibindi ngithi, ngikuwe futhi nawe ukimi. Ukwaziswa okungaka! Intshisekelo nokulangazelela kwami, ukukuthokozisa ngempilo yami lapho ngenza konke lokho ongihlelele khona, futhi kokwazi ukuthi kuwe, nginempilo egcwele, egameni likaJesu. Amen.

Ngathola kunzima ukubiza iGama likaJesu, angikwazanga ngisho ukuvula umlomo wami. Ekugcineni ngakwazi ukususa leyonto phezu kwami lapho ngibiza igama lika "Jesu!" Ngaguqa ngamadolo, ngathi, "Sathane, eGameni likaJesu, ngeke uphinde ukwenze lokhu kimina; futhi noma ngabe ikuphi lapho ukhona ngiyakubopha eGameni ikaJesu! Ngeke uphinde ungenze lutho!"

Kusukela ngalesosikhathi kuze kube manje, ayikaze yenzeke leyonto, futhi ayisoze yenzeka. Sebenzisa lokho onakho. Sebenzisa igama likaJesu. Kungenjalo, usathane uzodlala ngawe. YAZISA AMANDLA AKUWE

Kodwa nizakwamukeliswa amandla, uMoya oNgcwele esefikile phezu kwenu, nibe ngofakazi bami eJerusalema, naseJudiya lonke, naseSamariya kuze kube sekugcineni komhlaba (Izenzo 1:8).

Umbhalo 2 kwabaseKorinte 4:7 uthi, ***"Kepha le ngcebo sinayo ezitsheni zebumba, ukuze ubukhulu bamandla obukhulu kakhulu bube ngobukaNkulunkulu, bungabi ngobuvela kithi."*** Kunamndla kuwe. Incwadi kwabase-Efesu 3:20 thi, ***"Kepha yena onamandla okwenza okukhulu kakhulu kunakho konke esikucelayo nesikuqondayo ngokwamandla asebenza kithi...."*** Wonke amandla obuNkulunkulu ayasebenza kuwe; hhayi ezulwini kodwa emoyeni wakho odalwe kabusha. Akunakushiwo ukuthi kungakanani ongakwenza, nokuthi ungafinyelela kuphi—impumelelo nengcebo yakho okungenamkhawulo uma nje ungawazisa futhi uwasebenzise lamandla akuwe.

Okube umthelela wabanye ukuswela ulwazi lokuthi bangobani nokuthi bathweleni ngaphakathi kubo. Ukwazisa Amandla kaNkulunkulu empilweni yakho kungamandla akhuthazayo. Uma ngbe ungakwazisi ukuthi ungubani nokuthi yini ekuwe, lokho akuyukusebenza. Inkosi uJesu wayehamba emhlabeni enolwazi lwemvelo yakhe yobuNkulunkulu. Uthe evesini esivule ngalo: "Onke amandla anikiwe kimi ezulwini, futhi nasemhlabeni!" Yayikwazi lokhu futhi ikusho ngendlela efanele.

Ngenkathi engena esinagogweni, wathi, ***"UMoya***

weNkosi uphezu kwami, ngokuba ingigcobile ukuba ngishumayele ivangeli kwabampofu, ngithumele ukumemezela ukukhululwa kwabathunjiweyo, nokubona kwabayizimpumputhe, okuhlenga abacindezelweyo" (NgokukaLuka 4:18). Umcabango onjena! Ngenkathi esho lokho, amadimoni awakwazanga ukumelana nakho; wakhuluma amazwi aletha ukuphila nokubuyiselwa kwesimo kwabagulayo nababuthakathaka. Makabongwe uNkulunkulu!

Umbhalo encwadini 1 EkaJohane 4:17 uthi, njengalokhu enjalo yena, sinjalo nathi kulelizwe. Amandla kaMoya abekwe kuwe ngoba umunye naye; uyilunga lomzimba wakhe, lenyama yakhe namathambo akhe. Ungummeli woMbuso wakhe. Umoya Ongcwele weza ukuzophila kuwe ukuze uMbuso, amandla, inkazimulo, ukulunga Nombuso kaKristu kubonakale kuwe nangawe. Lazise leliqiniso. Hallelujah!

Ngingumfanekiso wobuNkulunkulu, inxusa likaKristu, ngigcwaliswe ngomthwalo omkhulu kaNkulunkulu! Ngiyenqaba ukucabanga ukwahluleka, ukunqotshwa noma izinto ezingenzeke, ngoba ngiyawazisa amandla kaNkulunkulu ahlala kimina. Ngokuzindla ngezwi futhi nokukhuluma ngezilimi, ngiletha amandla okuthwala noma yini, kuyo yonke ingxenye yempilo yami, egameni likaJesu. Amen.

KHULISA UKHOLO LWAKHO

Simelwe ukumbonga njalo uNkulunkulu ngani bazalwane, njengokuba kufanele, ngokuba inkolo yenu iyanda kakhulu, nothando lwenu nonke omunye komunye luyakhula (2 KwabaseThesalonika 1:3).

Kungumsebenzi wakho ukukhulisa isikalo sokholo uNkulunkulu akunike lona, futhi indlela yokukwenza lokho ukufunda iZwi likaNkulunkulu njalo njalo: ***"...ukukholwa kuvela ngokuzwa, ukuzwa kuvela ngezwi likaKristu"*** (KwabaseRoma 10:17). Ubuncane beZwi likaNkulunkulu olamukela emoyeni wakho, lisho ubuncane bokholo ongabuveza lapho ubhekene nezinqinamba zempilo. Ngakho ke, nsuku zonke, khulisa ukholo lwakho ngokudla iZwi likaNkulunkulu ngokuliphanga.

Omunye ngelinye ilanga wathi, "Ukholo lwami luncane; yingakho kwesinye isikhathi ngizizwa ngibuthakathaka emoyeni"; lukhulise ukholo lwakho! Lowo umsebenzi wakho. Ungahlali ezingeni lokholo oluncane. Ukholo oluncane luqhakambisa ukwesaba nokungabaza (ngokukaMathewu 8:26). Embhalweni ngokukaMathewu 14:31, uSimoni Petru wayehamba emanzini eya kuJesu kodwa lapho ebona umoya namagagasi, waqala ukucwila. Ibhayibheli lithi, ngokushesha uJesu ***"...welula isandla, wambamba, wathi kuye: "Awu, wena onokukholwa okuncinyane, ungabazeleni na?"*** (NgokukaMathewu 14:31).

Ukholo oluncane lingokwenyama noma ukunikela emcabangweni wenyama. Sibona isibonelo salokho encwadini ngokukaMathewu 16:6 lapho uJesu ethi kubafundi bakhe, ***"Anobheka nixwaye imvubelo yabaFarisi nabaSadusi."*** Ibhayibheli lithi bakhulumisana bodwa, bathi

"kungokuba singaphathanga izinkwa" (NgokukaMathewu 16:7). Babengakuqondi lokho uJesu ayefundisa ngakho futhi babecabanga ukuthi usho isinkwa esidliwayo. UJesu wakuqonda lokho ababecabanga ngakho, wase ethi kubo, ***"Nina bokukholwa okuncane, yini ukuba niphendulane nodwa ngokuthi kungokuba ningenazinkwa na?"*** (NgokukaMathewu 16:8).

Lowo onokholo oluncane uma ngabe ezizwa engaphathekile kahle esiswini, ngokushesha ubesethi, "Ngicabanga ukuthi angiphathekile kahle ngenxa yokudla engikudlile noma lokho engikuphuzile." Nakuba uJesu athi, ***"uma bephuza okubulalayo, akusoze kwaba nangozi..."*** (NgokukaMarku 16:18). UNkulunkulu ufuna ukuba ube nokholo oluqinile; hhayi olubuthakathaka, futhi noluncane. Ngakho ke, funda futhi usebenzise iZwi likaNkulunkulu; yileyo indlela yokukhulisa ukholo lwakho futhi nokuliqinisa. Yiba njengalabo okukhulunywa ngabo abaseThesalonika, okholo lwabo lwakhula ngokudlulele, kanye nabo bonke okwakhulunywa ngabo amangamaqhawe okholo (KumaHeberu 11) abasebenzisa ukholo lwabo ukwenza izinto ezinkulu.

UKUVUMA

IZwi liyaphila futhi liyasebenza kimi, futhi likhuthaza ukholo kimina ukuze nginqobe izinqinamba futhi ngiphile impilo yokunqoba kuKristu. Ngizelwe ngeZwi; ngakho ke, ngiphila ngeZwi. Lapho ngifunda futhi ngizindla ngeZwi, ukholo lwami luyaqina ukusuka enkazimulweni kuya enkazimulweni, futhi izibusiso zokwenza iZwi ziyabonakala ngokusobala empilweni yami, eGameni likaJesu. Amen.

Uyabonake ukuthi umuntu uyazithoba noma athotshiswe. Imibhalo ayiqedwa kungavezwanga izindaba zalabo ababeziphakamisa futhi nanokuthi bagcina behliswe kanjani. UNkulunkulu akafuni ukuba nathi sihambe ngaleyondlela.

Zilungise futhi uhambe ngokweMibhalo, ngokuhlakanipha kukaNkulunkulu ngaso sonke isikhathi. Ngokuzalwa kabusha, uzalwe waba ngumuntu omkhulu futhi ngokweqiniso, abantu abakhulu bahlale njalo bezithobile. UMKRISTU AKANAKUPHATHWA AMADIMONI

Wasivusa kanye naye, wasihlalisa kanye naye embusweni wezulu kuKristu Jesu (Kwabase-Efesu 2:6).

Abaningi babuzile bathi, "Angaphathwa yini ngamadimoni umKristu?" UmKristu angathonywa ngamadimoni kodwa angeke aphathwe yiwo. Ukuze umKristu aphathwe amadimoni, kusho ukuthi yena qobo lwakhe, ulahle ngamabomu ukholo lwakhe kuJesu Kristu ngokuhlubuka.

NgokweBhayibheli, akukho ukutakulwa kuleso simo, ngoba umuntu uzinikele ngamabomu kuSathane. UmKristu weqiniso angeke abe kuleso simo ngoba mkhulu kunosathane. Akukhathaleki ukuthi umKristu ukuvumele kangakanani ukuphathwa nguSathane, ngosuku lapho ekhumbula ukuthi ungubani futhi ethi "Sekwanele," lokho kuyoba ukuphela kokuxhaphazwa nguSathane empilweni yakhe. Incwadi kaJakobe 4:7 ithi, ***"Ngakho thobelani uNkulunkulu, kepha nimelane noSathane, khona uyakunibalekela."***

KumKristu, inkinga akukhona ukuphathwa ngamadimoni; kepha, kungukuvumela imimoya emibi, emenza enze izinto ezimbi, futhi ngokuqhubeka kwesikhathi, umkrisu abhubhise impilo yakhe. Isikhathi esiningi, amaKristu anjalo awanalo ulwazi olwanele ngeZwi likaNkulunkulu okwenza aphile ngaleyo ndlela (Hoseya 4:6). UmKristu uhlaliswe kanye noKristu, ngaphezu kwakho konke ukubusa, namandla,

negunya, nobukhosi, namagama onke aphathwayo (Kwabase-Efesu 2:6; 1:19-21). Hallelujah!

Uma ngabe okushiwo ngaphambili kuyiqiniso, (makabongwe uNkulunkulu ngoba kunjalo), kungani umuntu efuna "ukukhululwa" kuSathane, futhi ephethwe ngamadimoni? Noma ngabe umKristu uthonywe noma uphethwe ngusathane, isixazululo yiZwi likaNkulunkulu. Incwadi yamaHubo 119:130 ithi, ***"Ukwambulwa kwamazwi akho kuyakhanyisa...."*** Uma ngabe ungamukela iZwi likaNkulunkulu—ukukhanya kwalo kuwe futhi nokulamukela—liyokhipha bonke ubukhona bukasathane, ubumnyama buyoqedwa.

Yingakho ukufunda nokuzindla ngeZwi kumele kuhambe phambili kuwe njengomntwana kaNkulunkulu. Yazi futhi uhlale eZwini, futhi sebenzisa igunya lakho kuKristu.

UMSOMBULUKO 1

KUMAYELANA NAMAZWI

Ngokuba ngamazwi akho uyakuthethwa, nangamazwi akho uyakulahlwa (NgokukaMathewu 12:37).

Esinye isizathu esikhulu esidala amanye amaKristu angakuthokozeli ukukholwa kanye nenkazimulo yobuKristu yingoba abakaze baqonde ukubaluleka kwamazwi. Nakuba beyizidalwa ezintsha isikhathi eside, kodwa banokuzabalaza. Abanye balahla ithawula emva kwesikhathi eside bengamaKristu ngoba abaqondi imigomo yokuphila kwekholwa. Indaba isemazwini owakhulumayo!

Njengezidalwa ezintsha kuKristu sisebenza ngamazwi. Lona ngumgomo wakwamoya wokwamukela usindiso nje okokuqala: ***"Ngokuba uma uvuma ngomlomo ukuthi uJesu uyiNkosi ukholwa enhliziyweni yakho ukuthi uNkulunkulu wamvusa kwabafileyo, uyakusindiswa. Ngokubangenhliziyo uyakholwa kube ngukulunga kepha ngomlomo uyavuma kube ngukusindiswa"*** (kwabaseRoma 10:9-10).

Ukukholwa kwethu kuphiliswa ukuvuma ukholo lwethu ngeNkosi uJesu. Ukusindiswa kunguqala kwezibusiso kuKristu, uma-ke lomgomo usebenza osindisweni, uyosebenza kukho konke okunye kuKristu.

INkosi uJesu ngesikhathi iselapha emhlabeni yayiphumelela kukho konke ngoba yayikhuluma

amazwi kaBaba futhi ephila wona. Encwadini kaJohane 12:49, wathi, ***"Ngokuba mina angikhulumanga ngokwami kodwa uBaba ongithumileyo nguye onginike umyalo wokuba ngizakuthini, ngikhulume ini."*** KumaHeberu 13:5-6 ugcizelela kulokhu uma ethi, ***"Ukwenza kwenu makungabi ngokokufisa imaliyaneliswani ngeninakho, ngokuba ushilo ukuthi, Angisoze ngakuyeka angisoze ngakushiya, ukuze sisho ngesibindi sithi; INkosi inguMsizi wami, angiyukwesaba, umuntu angangenzani na?"***

Leli vesi lisho ukuthi ukuvuma kwethu kufanele kuhambisane nezwi likaNkulunkulu ngoba singabantwana bezwi. Siphila ngezwi. Khumbula amazwi kaJesu evesini esivule ngalo: ***"Ngokuba ngamazwi akho uyakwahlulelelwa, ngamazwi akho uyakuthethwa."*** Kungamazwi: amazwi amahle aphuma emlonyeni wakho.

UKUVUMA

Ngamazwi ami amnandi nagcwele ukholo, ngakha impilo enqobayo nekusasa eliqhakazile. Ngilungisa impilo yami nekusasa lami lihambisane nacho konke engikubekelwe nguNkulunkulu kanye nenkambo yami. Ngibambelele ekukhulumeni ukholo lwami ngaphandle kokungabaza. Ngiyaqinisekisa ukuthi ngiphila impilo engcwele, nokugcwaliswa kwangaphezulu, nokunqoba okuqhubekayo nempumelelo eGameni likaJesu. Ngempela lezi yizikhathi ezinzima, kepha iNkosi uJesu isitsheleile ngazo encwadini kaLuka 21:25-26 lapho ichaza khona izimpawu zezikhathi zokugcina. Wathi, ***"Kuyakubakhona..usizi luyakwehlela izizwe zixakekengokuduma kolwandle namaza..."***

Encwadini kaLuka 18:8, wabuza umbuzo oqwashisayo: ***"...uma iNdodana yomuntu ifika, ngabe iyobathola abakholwayo emhlabeni?"*** Kufanele ume okholweni lwakho, noma ngabe zinjani izimo ezikuzungezile nokwenzakalayo emhlabeni.

Izwi lithi encwadini yabase-Efesu 6:16, ***"... INkosi uJesu seyaqeda vele ngemisebenzi kasathane (1 kaJohane 3:8). Wakhinyabeza, yanqotshwa yonke imisebenzi yakhe,

UKUQEDILE UKOMA KWAKHO

Ngokuba inyama yami ingukudla isibili negazi lami lingukuphuza isibili (ngokukaJohane 6:55).

Kukhona labo abahlala bekhala kuNkulunkulu becela ukuba "aqede ukoma kwabo", abagcwaliswe kabusha. Abawaqondi amazwi kaJesu encwadini kaJohane 7:37, lapho ethi khona, ***"Kepha ngosuku olukhulu oluzayo lweNkosi, uJesu wema wamemeza wathi, Uma kukhona owomileyo akeze kimi, aphuze."*** Lokhu akusho ukuthi uma womele uNkulunkulu, hamba uye kuJesu.

SENQABE "ISIFO SOKUNGAFANELEKI"

NingabakaNkulunkulu nina bantwanyana, nibahlulile, ngokuba lowo okini mkhulu kunaye osezweni (1 KaJohane 4:4).

Kukhona "ukungalingani ngokwemfundo" okuningi phakathi kwabaningi eBandleni, futhi sekuthathe isikhathi eside okungathi manje sekubukeka futhi kuzwakale njengokujwayelekile. Ukwenza isibonelo, uzwa amazwi anjengokuthi, "Ngigcwalise Nkosi; ngikulambele"! Kodwa ukumemezela okunjalo akuhambelani neZwi, ukuthi singobani nokuthi sinani kuKristu.

Awuke ucabange umzuzwana: Ufuna okungakanani kuYe, ngoba uhlala kuwe ngokugcwala kwakhe? UkuBaba futhi uBaba ukuwe. Kwazi ngokuphelele lokhu. Yeka ukuzama ukufinyelela kuye noma uziphathe njenesihambi nomuntu oyisivakashi; umunye naye. Haleluya! Inkinga ngabaningi ukungalazi kwabo iZwi.

Ibhayibheli lithi, uKristu phakathi kwenu, ithemba lenkazimulo (kwabaseKolose 1:27). Akusiyo ingxenye noma imbijana yakhe ehlala kuwe; kungukupheleliswa kobukhona bakhe! Ugcwele kuwe. Ibhayibhei lithi uyithempelei likaMoya oNgcwele; uyindlu kaNkulunkulu, itarbenekele lakhe eliphilayo. UNkulunkulu akekho ezulwini ngaphezu kokuba ekhona kuwe; kukholwe lokhu ngoba kuzosusa

ukuxhomekeka kanye nokwehluleka kwemizwa.

Kuyiphutha ukucabanga ukuthi lapho sivuma ubuthakathaka bethu, uyakuba mkhulu kithi. Cha; ungakhulumi okuphikisana neZwi. Ukuvuma kwakho ukungafaneleki kubhubhisa ukholo lwakho nokusebenza kwakho kuKristu, futhi kuphambene nakho konke uJesu akwenzele khona. Isibonelo, Umuntu angakufunda kanjani lokho okusevesini esivule ngalo kodwa aqhubeke nokuthandaza athi, "O Nkosi, ngisize ukuba nginqobe"? noma omunye umuntu athi "Siyonqoba ngolunye usuku"?

Izwi lithi unqobile; qaphela ukuthi kusho isikhathi esedlule, akusona isethembiso kodwa isivumelwano; leli yiqiniso lehora lamanje. Ukuvuma kwakho kunganciki ekutheni uzizwa kanjani noma kwenzekani eduze kwakho, kufanele futhi kumele kube ukuthi lithini iZwi ngawe. Ungakhulumi lokho okungafanele okusemizweni yakho, khuluma iZwi.

INKONZO KAMOYA

Ngokuba uNkulunkulu, engimkhonzayo emoyeni wami ngevangeli leNdodana yakhe, ungufakazi wami (KwabaseRoma 1:9).

Esikhathini esiningi, uma ngabe iNkosi ikunika isibopho noma umsebenzi ukuba uyenzele wona, imvamisa ayikwenzi lokho ngoba unguchwepheshe. Ikunika umsebenzi futhi ilindele ukuba uwenze ngenkuthalo; ilindele ukuba wenze konke okusemandleni akho, kodwa okubaluleke kakhulu ukuthi ilindele ukuba ukwenze ngamandla kaMoya oNgcwele.

Awukho umsebenzi endlini kaNkulunkulu okumele wenziwe abantu abangagcwalisiwe ngoMoya oNgcwele. Lokhu kungenxa yokuthi ayikho into ongayenzela uNkulunkulu eyokwamukeleka kuye ngaphandle koMoya oNgcwele. Incwadi kumaHeberu 9:14 isitshela ukuthi uJesu wazinikela njengomhlatshelo, ngoMoya oNgcwele. Bekulokhu kunjalo kuNkulunkulu.

Ngisho naseTestamenteni elidala, lapho iNkosi ifuna ingubo ka-Aroni (ingubo yoMpristi) ukuba yenziwe, ngoba umklamo wawunikezwe uNkulunkulu, uMose kwakufanele athole kuphela labo iNkosi ebagcwalise ngoMoya ukwenza umsebenzi wenzeke (UEksodusi 28:3). Cabanga ngalokhu: Wayengavumela abaPristi bakhe kuphela ukuba bagqoke izingubo ezazenziwe ngabantu abagcwaliswe ngoMoya! Ngokufanayo, izingcweti ezazizosebenza etabernakele kwakumele zigcwaliswe ngoMoya, ukwenza umsebenzi.

Ngesinye isikhathi, iNkosi yathi kuMose “Thola

abaholi abangamashumi ayisikhombisa babantwana bakwa-Israyeli, ukuze bakwazi ukusebenza." UNkulunkulu wathi, ***"Ngithathe okomoya ophezu kwakho, ngikubeke kuwo"*** (uNumeri 11:16-17). Ngamanye amagama, ngaphandle kukaMoya, ubengeke abavumele benze umsebenzi. Yingakho ukugcwaliswa ngoMoya ugcwaliselwa umsebenzi endlini kaNkulunkulu kubalulekile.

Akwenzi mehluko ukuthi ukuliphi izinga ngokusebenza esontweni, mhlawumbe ungumholi wenkonzo yokudumisa, noma ukhonza ibandla ngomculo, umsizi, umholi weseli, umxhumanisi wobudlelwano bokufinyelelisa ivangeli, isisebenzi sokwelusa, noma iqhaza lakho lokuhlanza nokuvula iminyango, ehholo; kumele kwenziwe ngoMoya.

Yilapho ubudlelwano noMoya bubaluleke kakhulu. Ngaphambi kokuthi uqale noma yini, gcwaliswa ngoMoya; uchithe isikhathi ekuhlanganyeleni noMoya oNgcwele, uzokuqondisa ekutheni ungazenza kanjani izinto zikaNkulunkulu, ngendlela kaNkulunkulu, ukuze ukusebenza kwakho kwamukeleke kuYihlo.

UMKHULEKO

Baba othandekayo, Ngiyabonga ngethuba lokusebenza eMbusweni wakho. Ngizinikela ekuthonyweni nasekuholweni nguMoya oNgcwele ngaso sonke isikhathi, ukuhlanjululwa nokungcweliswa kwakho konke engikwenzela khona, eGameni likaJesu. Amen.

KWANELE WONKE UMUNTU

Kulokhu sengiyanibeka eNkosini nasezwini lomusa wayo, yona enamandla okwakha nokwabela ifa phakathi kwabo bonke abangcwelisiweyo (Izenzo 20:32).

Emhlabeni namuhla, kusobala ukuthi kunabaningi kakhulu abampofu kunabantu abacebile. Kepha ngokwecebo likaNkulunkulu, inhloso, imigomo, nangokweBhayibheli, lomhlaba wenzelwa ukuba ube nabantu abacebile kakhulu kunabantu abampofu. Iningi alikaze lilazi leliqiniso, kepha lelo kwakuyicebo likaNkulunkulu kusukela ekuqaleni. Izwi lakhe lisikhombisa ukuthi kunokuningi okwanele wonke umuntu emhlabeni!

Noma ngabe wawumpofu futhi weza kuKristu, iBhayibheli lithi, ***"Uyamvusa ompofu othulini, uyaphakamisa impabanga ezaleni, abahlalise nezikhulu, badle ifa lesihlalo sobukhosi..."*** (1

USamuweli 2:8). Ukuphi ngokwempilo namuhla? IZwi likaNkulunkulu lingakulethela into yoqobo, ukuguqulwa kwesimo, ukuguqulwa kwekhwalithi, ukuguqulwa kohlobo, ukuguqulwa kwangempela. Ingaleyo ndlela uNkulunkulu afeza ngayo injongo Yakhe kithi! Kungamandla eZwi.

Ungalithatha ngokoqobo iZwi likaNkulunkulu, uzindle ngalo, bese uqala inqubo yoguquko kuwe, futhi unqume ukuthi uzoya kude kangakanani empilweni. Akukhathaleki ukuthi ukhulele kuphi, akukhathaleki ukuthi litholani izwe ohlala kulo; iZwi likaNkulunkulu lingakulethela ifa lakho elikuKristu.

UKUBUSISA UKUBONGA

Uma kungenjalo, nxa ubonga ngomoya, lowo osesikhundleni sabangafundile angasho kanjani ukuthi Amen ekubongeni kwakho na? lokhu engakwazi okushoyo (1 KwabaseKorinte 14:16).

Ngokwejwayelekile, ukubusisa kusho ukungenisa Amandla kaNkulunkulu entweni ethile noma empilweni yomuntu, okuletha umphumela wokukhulisa, ukwandisa, inqubekela phambili, amandla, njll. Kepha kunokunye okuthile ngesibusiso. Isibonelo, ibhayibheli likhuluma ngathi, sibusisa iNkosi; siyibusisa kanjani iNkosi? Futhi uma sithi, "Busisa umsebenzi wakho," Ngokwesibonelo, ukwenza kanjani lokho? Futhi, indikimba yevesi lethu ikhuluma ngokubusiswa emoyeni, okungukuthi, ukubusisa ngezilimi; ukwenza kanjani lokho?

Kepha-ke, ukufunda ingxenye yokuphetha yevesi kusinikeza inkomba: ethi, "umuntu angakuqonda kanjani okushoyo, athi amen ekubongeni?" Ulinganisa "isibusiso", "ekunikeni ukubonga." Encwadini kaMathewu 26:26, iBhayibheli lithi, ***"Besadla, uJesu wathabatha isinkwa, wasibusisa, wasihlephula...."*** UJesu wasibusisa kanjani isinkwa?

UmPhostoli uPawulu wakuchaza lokhu ngoMoya encwadini 1 kwabaseKorinte 11:23 - 24, ithi ***"Ngokuba mina ngakwamukela eNkosini lokho, nenganinika khona, ukuthi: iNkosi uJesu, ngalobobususku akhashelwa ngabo wathabatha isinkwa, wabonga,***

wasihlephula...” umbhalo ngokukaMathewu uthi, uJesu wathatha isinkwa wasibusisa; kulokho uPawulu uthola isambulo futhi usitshela ngqo ukuthi uJesu wakwenza kanjani lokho: wakwenza ngokubonga.

Lokhu kukwazisa ukuthi ungakubusisa kanjani ukudlwa kwakho lapho usetafuleni lokudla. Akukhona ukuthi, “O, Nkulunkulu, busisa lokhu kudla ngenxa kaKristu”; kungukumbonga ngokudla. Yilendlela uJesu asibusisa ngayo isinkwa. Ngokufanayo, uma ngabe sithi, “Masibusise iNkosi,” lokho kusho ukubonga kuYo; umbonga kakhulu ngokuthi ungubani, ngalokho akwenzayo empilweni yakho, nangayo yonke imisebenzi Yakhe yamandla. Yilokhu okufanele ukwenze njalo.

Qha, nakanye. Thina esafa maqondana nesono singabuye sihambe kanjani kuso na?" Akunamkristu onenkululeko yokwenza okungalungile. Ubizelwe ukuveza ukulunga, ukuhamba ekulungeni kwakhe. Impilo esinayo kuKristu, ayinasono. Kepha-ke, ohambweni lwakho lokholo, kuyenzeka ukuba wenze amaphutha; ngakho, iBhayibheli lithi, ***"...negazi likaJesu iNdodana yakhe liyasihlambulula ezonweni zonke"*** (1 KaJohane 1:7). UKUVUSELELWA NGUMOYA ONGCWELE

Ngenxa yalokho ngiguqa ngamadolo ami kuYise, eyethiwa ngaye imindeni yonke ezulwini nasemhlabeni, ukuba ngokwengcebo yenkazimulo yakhe aninike ukuqiniseka emandleni ngoMoya wakhe kumuntu wangaphakathi; (Kwabase-Efesu 3:14-16).

Embhalweni wethu oyinhloko, uMpostoli uPawulu ngoMoya, wakhulekela amakristu ase-Efesu ukuba aqiniswe ngamandla kumuntu wawo wangaphakathi. Uma uPawulu akhuleka kanje ngabo, kusho ukuthi wayazi kusho ukuthini ukuba uqiniswe futhi naye uqobo lwakhe waqiniswa. Ngakhoke, wayengazami ukwenza uNkulunkulu ukuba agcwalise isethembiso noma enze okuthile esingenakho njengamakristu.

Kungani-ke uPawulu akhulekela abazalwane base-Efesu? Yingoba abantu babengakafinyeleli ekwazini okugcwele ngamandla angcwele asebenza kubo ngesizathu sokuhlala kubo kukaMoya oNgcwele. Kwabe kungukubenza babenokuqonda ngalamandla angcwele, amandla angajwayelekile kaMoya angaphakathi kubo. Lokhu "kuqiniswa" akuqhamuki ezulwini; kungoMoya kaNkulunkulu osuvele ungaphakathi kubo. Wayefuna baqonde inkonzo kaMoya oNgcwele engaphakathi kubo, futhi bahambe emandleni akhe.

KunoMoya ngaphakathi kuwe okuvuselelayo.

Lowo Moya ukunika amandla angajwayelekile, ikhono lokwenza. Hallelujah! Yingakho ungafanele uvume noma wamukele ukuthi ubuthakathaka. Akukho buthakathaka empilweni yakho, ngoba uMoya oNgcwele, ongukuphelela kwenkazimulo yonke, ukubusa namandla, uphila kuwe ngokugcwala kwakhe konke. Akukho ngxenye yomzimba wakho okungowokugula, izifo, ukufa, noma usathane. UMoya oNgcwele okuwe ugcina umoya wakho, umphefumulo Kanye nomzimba wakho uvuselelwe futhi uhlale uphila.

KwabaseRoma 8:11 ukhuluma uthi, ***"Uma-ke uMoya walowo owavusa uJesu kwabafileyo ehlala kini, yena owavusa uKristu Jesu kwabaFileyo uyakuphilisa nemizimba yenu efaya ngaye uMoya wakhe ohlala kini."*** Akusesona isethembiso lesi kepha iqiniso lamanje. Inkazimulo ibe-kuNkulunkulu!

Ake ucabange ukuthi awujabule ngento ethile futhi ufuna ukwenza umnyakazo othile ngakho, uMoya uthi kuwe, "Asikho isidingo, kuyekele." Kepha, uyaqhubeka nesinqumo sakho, lokho kuwukungakholwa.

Cabanga ngoMose kuNumeri 20; uNkulunkulu wamyala ukuba akhulume netshe futhi amanzi ayophuma kulo abantwana bakwa-Israyeli baphuze. Ngenxa yokuthukuthelela abantu, uMose "walishaya" itshe kabili, kunokuba "akhuluma" nalo. UJehova akathokozanga futhi wathi kuMose no-Aroni, ***"... Njengoba anikholwanga yimi, ukungingcwelisa emehlweni abantwana bakwaIsrayeli, ngalokho aniyikungenisa lelibandla ezweni engibanike lona"*** (UNumeri 20:12). Ukungalaleli kukaMose kwakungumphumela wokungakholwa; uNkulunkulu washonjalo.

Mhlampe, uma wayenze njengalokhu uNkulunkulu ayala, wayeyokwelashwa ulaka kanye nokukhungatheka ayenakho ngabantu. Ngenye yezizathu zomkhuleko. Endaweni yomkhuleko, umele ulahle konke ukuqonda ngayo yonke into nangawo wonke umuntu, ukuthi

Ngisho noma unezinto eziningi obufuna ukumtshela zona, ngesinye isikhathi uyyakuphazamisa; uyaqala akhulume ngaphambi kokuba ukhulume. Ngokushesha, konke ukungabaza, ulaka kanye nokukhungatheka kuyanyamalala, futhi uqiniswe. Lokhu kwenzeka nakuJesu ngenkathi ekhuleka ngesikhathi sosizi; iBhayibheli lithi, ***"...kwabonakala kuye ingelosi ivela ezulwini, izomqinisa"*** (NgokukaLuka 22:43). Endaweni yomkhuleko, wathola ukuqina ukwenza intando kaBaba.

Ngakho, khuleka kakhulu, ikakhulukazi kulezizinsuku zokugcina. Ngokuhlale ukhuleka, uya ukhula udonselwa emcabangweni kaMoya; ezindleleni zakhe,emaswini nasekuholweni nguye. Hallelujah!

ISONTO 26

UKUFA ESONWENI, UKUPHILA KUNKULUNKULU

Kanjalo nani manizisho ukuthi ningabafileyo maqondana nesono, kodwa niphilele uNkulunkulu kuKristu Jesu iNkosi yethu (KwabaseRoma 6:11).

Leli vesi elingenhla lembula iqiniso elinamandla ngehora lamanje mayelana nesidalwa esisha: sifile esonweni kodwa siyaphila kuNkulunkulu! Lona umbono okumele ube nawo ngempilo yobuKristu; kufanele uzibale njengalowo ofile esonweni futhi ophilile kuNkulnkulu. Ukuba "uphile kuNkulunkulu" kusho ukuvuselwa esimweni sakhe nasendaweni yokuphila, ukuba nobudlelwano naYe.

Incwadi kwabase-Efesu 2:1 ngokwehumusho le-AMPC ithi, ***"NANI [Wanenza naphila], enanifile (enanibulewe) ngeziphambeko nangezono [zenu]."*** Ngamanye amazwi, ngenkathi uJesu efa, wafa kuYe; lapho evuswa kwabafileyo, wavuswa kanye naYe. Umbhalo kwabaseKolose 2:13-14 uthi, ***"Nani-ke ebenifile ngeziphambeko nangokungasoki kwenyama yenu wanenza nibe ngabaphilayo kanye naye esithethelela zonke izono zethu; esehlangule incwadi yecala lethu, emelana nathi ngemiyalo yayo, wayeyisusa ngokuyibethela esiphambanweni."***

Lokhu kuyamangalisa! Ngaphambi kokuba wenziwe ukuba uphile noKristu, izono zakho kanye nemithetho eyayimelene nawe kwabethelwa esiphambanweni. Ngamanye amagama, kokubili, izono zakho nalokho okwenza ukuba kube nesono kwasekuqaleni, konke kwabethelwa esiphambanweni.

Incwadi 1 kwabseKorinte 15:56 isazisa ukuthi

amandla esono ngumthetho; nokho, yona kanye leyonto eyanika isono ukuphila, okungumthetho, uJesu ukuchithile (Kwabase-Efesu 2:15). Ukunike ukunqoba phezu kwesono, ukufa, nethuna. Zibone ngalokhu kukhanya.

IZwi likaNkulunkulu lingukukhanya, futhi liyisibuko esibonisa ukuthi ungubani ngokweqiniso, umbhalo 2 Kwabasekorinte 3:18 uthi, ***"Kepha thina sonke esibuka ngobusa obambuliwe inkazimulo yeNkosi njengasesibukweni siyaguqulwa, sibe-njengalowomfanekiso ngokuya enkazimulweni, njengalokhu kumi ngeNkosi enguMoya."*** Manje, iZwi lithi ufile esonweni futhi uyaphila kuNkulunkulu; njengoba ucabanga ngeqiniso eliseZwini, uguqulelwa kuleloqiniso —kulowomfanekiso ofanayo nowembulwe esibukweni.

Umfanekiso osesibukweni ngowomuntu ofile esonweni kodwa ophilayo kuNkulunkulu futhi nokulunga Kwakhe. Impendulo yakho ifanele ibe ukuthi, "Makabongwe uNkulunkulu! Ngifile esonweni, futhi ngiyaphila kuNkulunkulu. Ngiyaphila endaweni Yakhe yokuphila." Hamba kuleliqiniso. Haleluya!

UKUVUMA

Ngiyaphila kuNkulunkulu, ngivuselwe eqinisweni loMbuso! Uyiqiniso kimina, kimi futhi nangami! Ngizwa futhi ngiyalazi iZwi Lakhe; ngiyayazi imicabango Yakhe, intando Yakhe, futhi ngihamba ohlelweni lwakhe lwaphezulu ngempilo yami. Haleluya!

UMSOMBULUKO 27

AMANDLA PHEZU KOKUFA

Sazi ukuthi uKristu esevusiwe kwabafileyo akasafi, ukufa akusabusi phezu kwakhe (KwabaseRoma 6:9).

Umbhalo ongenhla ungomunye wamavesi amangalisayo embhalweni kwabaseRoma 6 ngenxa yalokho okushoyo. Awusho ukuthi, "Sazi ukuthi uJesu esevusiwe kwabafileyo akasafi..."; kodwa uthi, ***"...uKristu esevusiwe kwabafileyo akasafi...."*** Umbuzo yilona, ubani uKristu?

UKristu, uJesu nomzimba wakhe—iBandla! UJesu uyinhloko, futhi iBandla lingumzimba wakhe. Inhloko nomzimba kwakha uKristu. Uma ngabe ukwenza ongumnini, "uJesu." Ezimweni ezithile, isihloko sengezelwa ngokumbiza ngokuthi, "Jesu Kristu" noma "Kristu Jesu." Kepha ngaso sonke isikhathi lapho ufunda iTestamente eLisha futhi uthola "uKristu," ngaphandle kwalapho umongo uchazwe ngenye indlela, kusho ukuthi uJesu neBandla, okungumzimba Wakhe.

Uma ngabe ukufa kungasenamandla phezu kwenhloko, akunamandla okubusa phezu kwesandla, phezu komlenze noma enye ingxenye yomzimba. Ivesi leshumi lithi, ***"Ngokuba ukufa afa ngakho wakufa kanye nje ngenxa yesono; kepha ukuphila akuphilayo ukuphilela uNkulunkulu"*** (kwabaseRoma 6:10). Ivesi elinjena! Kumele ufunde futhi usho uthi, "Ngivuswe kwabafileyo!" Yiba nalowomqondo!

Ukufa akunamandla okubusa ngoba ngoJesu Kristu unokuphila okuphakade; ungeniswe ekuphileni futhi awunakubhujiswa (2 KuThimothewu 1:10). Ngakho-ke ungabi nokwesaba ngoba ukufa kukhubazekile futhi kwanqotshwa nguJesu. Incwadi kumaHeberu 2:14-15 ithi, ***"Ngakho-ke njengoba abantwana bahlanganyela igazi nenyama, naye uqobo wahlanganyela khona lokho, ukuze ngokufa amchithe obenawo amandla okufa onguSathane, abakhulule bonke labo abathi ngokwesaba ukufa ekuhambeni kwabo konke babeboshelwe ebugqileni."***

Ngenkathi uJesu enqoba ukufa sasiKuye. Ngokuhlanganyela naYe, sinqobe ukufa nethuna. Akumangalisi ukuthi kungani umbhalo 1 Kwabasekorinte 15:54-55 uthi, ***"...Ukufa kuginyiwe kwaba ngukunqoba. Kufa, luphi udosi lwakho na?"***

UKUVUMA

Ngibethelwe kanye noKristu; akuseyimi ophilayo, kepha uKristu uphila kimi; kodwa ukuphila engikuphilayo manje enyameni ngikuphila ngokukholwa yiNdodana kaNkulunkulu! Ngikhululiwe esonweni nasekufeni! Ngingumhlanganyeli wemvelo yaphezulu. Udumo kuNkulunkulu!

UZELWE UNGENASONO

Nokuthi senikhululiwe esonweni, naba yizinceku zokulunga (KwabaseRoma 6:18).

UPawulu wayenobunzima bokukhuluma ngeqiniso elisevesini elingenhla ngenxa yomkhawulo wolimi. Wathi, ***"Ngikhulumisa okomusa ngenxa yobuthakathaka benyama yenu"*** (kwabaseRoma 6:19). Ukuhumunsa lokhu ngokuchasisa komyalezo kuthi, ***"Ngisebenzisa lolu limi lwenkululeko ngoba kulula ukwakha isithombe ngalo"*** (kwabaseRoma 6:19). Kwakumele abeke leyo ngxoxo ezingeni elibonakalayo lendabuko, ababengakwazi ukuyiqonda.

Iqiniso ukuthi isidalwa esisha "asikhululwanga" esonweni; kunalokho, sadalwa singenasono; kunomehluko phakathi kwalokhu okubili. Ukuzalwa ngaphandle kwesono kusho ukuthi wazalwa ungenasono. Lokhu kulula ukukuqonda uma ngabe uqonda ukuthi isidalwa esisha singumphumela wokuvuka (hhayi ukufa) kukaJesu Kristu. Impilo yakho entsha yaqala ngokuvuka kukaJesu Kristu: ***"Ngakho simbelwe naye ngokubhaphathizelwa kukho ukufa ukuba njengalokho uKristu wavuswa kwabafileyo ngenkazimulo kaYise, kanjalo nathi sihambe ekuphileni okusha"*** (KwabaseRoma 6:4).

Umbhalo 2 Kwabasekorinte 5:17 uthi, ***"Kanjalo uma umuntu ekuKristu, uyisidalwa esisha..."***; uhlobo olusha noma uhlobo lomuntu, oluzalelwe ekulungeni,

aludingi ukukhululwa esonweni sakudala. Empilweni yobuKristu, asikhululwa; sizalwa sikhululiwe! Lokhu kuwuqobo lwalowo ozelwe kabusha. Awunasono. Akumangazi ukuthi kungani umbhalo kwabaseRoma 6:14 uthi, ***"Ngokuba isono asiyikubusa phezu kwenu."***

Umqondo wesono awunakuqondwa kahle uze ube nokuqonda okuhle kwemfundiso yokulunga. Ngakhoke iBhayibheli lithi, ***"Ngokuba lapho niseyizinceku zesono, nanikhululekile maqondana nokulunga"*** (kwabaseRoma 6:20), ibinzana elithi "nanikhululekile ekulungeni" empeleni lisho ukuthi ngokulungiswa ukhululiwe noma "unikwe ukulunga." Ngamanye amagama, ubuyisigqila sesono, futhi wehluleka ukwenza ukulunga.

Kepha, manje njengoba usuzelwe kabusha, sekunomehluko; usungakwazi ukwenza ukulunga futhi uthele izithelo nemisebenzi yokulunga ngoba lokho kuyimvelo yakho kuKristu Jesu. Haleluya!

QHUBEKA NOKUTHINTA UMHLABA WAKHO NGEVANGELI

Wayesethi kubo: Hambani niye ezweni lonke, nishumayele ivangeli kukho konke okudaliweyo. Okholwayo abhaphathizwe uyakusindiswa, kepha ongakholwayo uyakulahlwa (NgokukaMarku 16:15-16).

Ukushumayela iVangeli akuyona into okhetha ukuyenza noma ungayenzi; kuwubizo lwakho; kungumsebenzi wakho osemqoka ukuzuza imiphefumulo.

Umbhalo 2 Kwabasekorinte 5:18 uthi uNkulunkulu usibuyisele kuye ngoJesu Kristu, futhi usinike inkonzo yokubuyisana. Ukuzinikela kwakho eNkosini kumele kubonakale ekuzinikeleni kwakho ekuzuzeni imiphefumulo. Qiniseka ngalokhu. UPawulu wathi, ***"Ngimelwe ukushumayela iVangeli, ngokuba maye kimi uma ngingalishumayeli"*** (1 Kwabasekorinte 9:16). Lokhu akumayelana nesimo okuso; yilokhu okumele ukwenze; kungumsebenzi oyolandisa ngawo futhi uzuziswe yiNkosi ngawo ngesikhathi sokwahlulelwa kwabaNgcwele bayo.

Incwadi 1 Kwabasekorinte 4:1-2 ithi, ***"Umuntu makasazi ukuthi siyizikhonzi zikaKristu nabaphathi bezimfihlakalo zikaNkulunkulu. Futhi-ke kufuneka kubaphathi ukuba umuntu afunyanwe ekholekile."*** Thembeka ekufinyeleliseni iVangeli kwabanye.

Abaphostoli baphila ngenxa yalesi sizathu. Abanye bahlukunyezwa kakhulu futhi abanye babulawa ngenxa yokushumayela iVangeli.

Ngakho-ke, noma ngabe uthukiwe futhi wadelelwa ngenxa yokushumayela ngoKristu, qhubeka nakho. Hlala uthinta umhlaba wakho ngamandla kaNkulunkulu aseVangelini lakhe. Yiba nentshisekelo enkulu ngalokhu ngoba isikhathi sincane.

UMKHULEKO

Baba othandekayo, ngiyabonga ngokunginika ithuba nekhono lokuthinta labo abasemhlabeni wami ngeVangeli. AMANDLA,I NKAZIMULO NOKULUNGA KWAKHE

Nkulunkulu, wena unguNkulunkulu wami, ngiyakufuna ekuseni; umphefumulo wami wonele wena; inyama yami ilangazelela wena ezweni elomileyo eligagadekileyo, lapho amanzi engekho khona. Kanjalo ngikubheka endlini engcwele, ngibone amandla akho nenkazimulo yakho (AmaHubo 63:1-2).

Nakuba inkazimulo kaNkulunkulu namandla kaNkulunkulu kusetshenziswa ngokushintshana kwesinye isikhathi embhalweni, kodwa akufani ncamashi. Isibonelo, Lapho uMose ecelwa yiNkosi ukuba akhulume nedwala, lokho uNkulunkulu ayekufuna kwakungukubonakaliswa kwenkazimulo Yakhe. Kodwa uMose washaya idwala, amandla kaNkulunkulu abonakaliswa.

Kodwa-ke, ekuphenduleni kukaNkulunkulu kuMose, siyazi ukuthi wayengajabulanga ngoba wasola uMose ngokuthi, "Awungikhazimulisanga phambi kwabantu" (uNumeri 20:11-12). Ngakho-ke, nanti iphuzu: Inkazimulo inkulu kunamandla ngoba inkazimulo ayibandakanyi amandla kaNkulunkulu kuphela kodwa nomusa nokulunga kukaNkulunkulu. Inkazimulo kaNkulunkulu, empeleni, ihlanganisa bonke ubukhazikhazi Bakhe nokulunga Kwakhe. Ubonisa ukulunga kwakhe enkazimulweni Yakhe.

Amandla akhe abonakaliswa ngathi ukufeza injongo yakhe. Noma kunjalo, lawo mandla angakuhlukumeza njengoba uPawulu ebonisa embhalweni 1 kwabasezkorinte 9:18: ***"Pho, uyini umvuso wami na? Uyilokhu ukuba nxa ngishumayela ivangeli, ngikwenze ukuba ivangeli lingabizi lutho, ukuze ngingasebenzisi ilungelo lami enginalo evangelini."*** Ngakho-ke, kuyenzeka ukuthi umuntu asebenzise kabi amandla kaNkulunkulu kepha awusoze usebenzise inkazimulo kaNkulunkulu kabi.

Ngaso sonke isikhathi, lokho uNkulunkulu akufunayo kithi ukuba sibonakalise inkazimulo Yakhe, futhi ukwenza lokho, kufanele uhambe ngomusa Wakhe nangokulunga Kwakhe; konke lokhu kuyahambisana.

UMKHULEKO

Ngiyabonga Nkosi, ngoba ungenze ukukhanya ezweni elimnyama, futhi ukukhanya kwami kukhanyisa yonke indawo. Ngithinta umhaba wami, hhayi ngamandla akho kuphela, kodwa nangenkazimulo yakho, ukulunga, ukuhlakanipha nothando lwakho namuhla nansuku zonke, eGameni likaJesu. Amen.

UMGQIBELO 1

SEBENZELA INKOSI NGEMPILO YAKHO

Ngokuba yilowo nalowo othanda ukusindisa ukuphila kwakhe, uyakulahlekelwa yikho, kepha olahlekelwa ngukuphila kwakhe ngenxa yami uyakusindiswa (ngokukaLuka 9:24).

Indoda ethile yeluleka indodana yayo eyayilikholwa ukuba ingazikhandli kakhulu ngoJesu Kristu. Yayikhathazekile ekutheni kungahle indodana yayo ilahlekelwe ngukuphila kwayo ngokusebenzela uJesu Kristu nokushumayela ivangeli. Kepha indodana yaphendula yathi, "Baba, ngenza lokho uJesu athi angokwenza, ngimsebenzela ngokuphila kwami."

Indoda yacasuka yamphendula kabi yathi, "Wenza lokhu uJesu athi ubokwenza? Yingakho afa esemncane, eneminyaka engama-32! Bambulala!" Njengaleyo ndoda baningi abangaqondi ngenjongo kaKristu nangenhloso yokuphila. Akukho mayelana nokuthi uphila isikhathi eside kangakanani, kepha kumayelana nempilo oyiphilayo.

Iqiniso wukuthi, kulaba bantu, indaba ayikho mayelana nokuphila isikhathi eside noma abathandiweyo babo ukuba baphile isikhathi eside. Ukuba kwakunjalo, uNkulunkulu wabethembisa ukuphila okungunaphakade, inking yabo yangempela ukwesaba ukufa.

Uma ukwesaba ukufa kubusa umuntu, ngeke lowo muntu aphile ngokufanelelkile, ngeke agcwalise ubizo lwakhe empilweni. Uzosho futhi enze izinto

angakholelwa kuzo, lokho ekwenzela ukusindisa impilo yakhe. Kepha sifundile evesini esivule ngalo, "...yilowo nalowo ofuna ukusindisa ukuphila kwakhe kufanele alahlekelwe yikho...." Philela uKristu ngokungananazi! Kufanele ukwazi ukuthi, "Makwenzeke noma ngabe yini ngimile kuKristu uJesu kanye naseMbusweni wakhe! Ngizakulishumayela ivangeli lakhe noma ngabe kunjani!"

Khumbula amazwi awasho encwadini kaLuka 10:19, ***"Bheka, ngininike amandla okunyathela phezu kofezela namabululu naphezu kwamandla kasathane, aniyukoniwa yilutho."*** Uma uhamba ushumayela ivangeli, ikakhulu ngalezi zikhathi zokugcina, ungesabi, ngokuba iNkosi, uqobo inguMvikeli wakho. Ngisho namanje, ukhuluma nawe nawamazwi awakhuluma kumphostoli uPawulu, encwadini yeZenzo 18:10, ***"Ngokuba nginawe, akukho muntu oyakunilimaza ngokuba nginabantu abaningi kule ndawo ukunisiza."***

UKUVUMA

Ngiyaphila, ukufa akaunamandla ngokuba ngabethelwa kanye noKristu, ngakho, ngiyaphila, nokuba kungaseyimina ophilayo kepha uKristu ophila kimi, nempilo engiyiphilayo kulo mzimba, ngiphila ngokukholwa eNdodaneni kaNkulunkulu eyangithanda yanikela ngokuphila kwayo. Hallelujah!

ISONTO 2

LUHLOLISISE UKHOLO LWAKHO

Zihloleni nina nibone ukuba nisekukholweni yini, nizivivinye nina. Kanti anizazeli yini ukuthi uJesu Kristu... (2 kwabaseKorinte 13:5).

Kunalabo abacabanga ukuthi iNkosi yiyona evumela izinto ezimbi namabhadi ukuba ehle phezu kwabantu baze babhubhe. Kufana nalona owayekhala ethi, "Ngisebenzela uJehova, nsuku zonke kepha uvumele usathane ukuba abulale umntanami." Kodwa lokho akusilona iqiniso! INkosi akusiyona evumela ububi namabhadi ukuba ehlele abantu, lokho akuhambisani nemvelo yakhe. Uluthando, abukho ubumnyama kuye.

Noma ngabe yini eyake yakwehlela engahambisani nezwi likaNkulunklu leyonto ayiveli kuNkulunkulu. Impilo ingumoya nguwena okumele uzibambele impilo yakho—nezinto ezenzeka kuwe. Kumayelana nokholo lwakho nokuthi ulusebenzisa kanjani. UJesu wathi encwadini kaMarku 17:20, ***"...uma unokukholwa okungangenhlamvu yesinaphi, uyakuthi kule ntaba, Qukuleka uphonseke ngale, ngempela iyakuqukuleka; akukho okuyakukwehlula."*** Lesi yisivumo esiyisona, umbuzo manje uthi; wenzani ngokholo lwakho? Ulusebenzisa kanjani ukholo lwakho?

IBhayibheli lithi, ***"Manje abalungileyoyo bayakuphila ngokukholwa..."*** kumaHeberu 18:38. Ukusebenzisa ukholo lwakho ukubhekana nobunzima bempilo nsuku zonke kungumsebenzi wakho lowo .

UJakobe 1:22 uthi, ***"Kepha yibani ngabalenzayo izwi ningabi ngabalizwayo kuphela, nizikhohlisa."*** Yilowo ukhiye; ukwenza izwi. Wenza ukukholwa kwakho "ngokwenza" izwi, singabalingisi bezwi.

Uma izinto zingahambi ngendlela ofuna ngayo, inking ayikho kuNkulunkulu, ngoba yena uphelele. Njengalokhu ephelele, kufanele uhlole ngakuwe ukuthi ngabe ikuphi inking. Kungaba wukuthi kukhona akushilo kepha wena awumzwanga noma awulizwanga izwi lakhe. Mhlawumpe awukwenzanga lokhu athe kwenze noma isikhathi sakho besingesihle. Ngakho-ke indlela elungile wukuthi uhlolisise ukholo lwakho njengalokhu kushiwo evesini esivule ngalo.

Impilo yokukholwa esiyinikeziwe ayinankohliso. INkosi ayicashile emva kokholo ukuba ingakwenzi ethe iyokwenza. Uma kungakusebenzele bekuvele kungeyikho ukukholwa. Ngakho-ke khula okholweni lwakho ngokwengeza ulwazi lwezwi leNkosi.

UMKHULEKO

Baba Olungileyo, ulungile futhi kuwe akukho bumnyama nathunzi lobunzima. Ngiyazibambela impilo yami, ngikhulisa ukholo lwami ngezwi futhi ngiyaluqinisa ngokulusebenzisa. Ngakho ngithela izithelo zokunqoba nokundlubulundela kuzo zonke izimo eGameni likaJesu. Amen.

UMSOMBULUKO 3

MBONGE NJALO NJALO

Nimbonge njalo uNkulunkulu uYise, ngakho konke eGameni leNkosi yethu uJesu Kristu (kwabase-Efesu 5:20).

Ingqondo yomuntu yakhiwe yizingxenye ezimbili ezinkulu, ingxenye yesokudla neyesinxele. Eyesinxele yiyona ohlaziya ngayo futhi uplane izinto zakho kuyo. Futhi ibuye ibeke izaba. Uma, ukwenza isibonelo, kunomsebenzi okufanele uwenze, kepha bese uthi, "Angazi noma ngizokwazi yini ukuwenza ngenxa yalezi zizathu," lokho kwenzeka esinxeleni sengqondo yakho. Ikunika izizathu zokuphumelela nokungaphumeleli.

Ingxenye yesokudla yengqondo yakho, yona, yiyona eyakha izithombe, yakhe nezithombe zengqondo bese futhi ikunika izimpendulo. Yakha izinto ezingenzeka, ubuhle, imibala. Kepha okubuhlungu wukuthi sihlala emhlabeni olawulwa yimizwa, sifundisiwe ukusebenzisa imizwa uma sithatha izinqumo. Ngakho-ke abantu abaningi bahlala kakhulu kule ngxenye ecwaninga yengqondo (okungesokunxele) ngaleyo ndlela abakwazi ukwakha amathuba, abakwazi ukwazi izithombe zengqondo ezinemiphumela.

Nakuba kunjalo, okuhle ukuthi ingxenye yeokudla yengqondo yakho ungayakha, indlela ongaphumelela ngayo kulokhu, ukuba wenze lokhu esikufunde evesini esivule ngalo: ***"Nimbonge njalo uNkulunkulu, uYise...."*** UNkulunkulu uyazi ngoba wadalwa nguyena. Uyazi uma uhlala umbonga, uzoba nomuzwa wenjabulo noma ngabe izimo zinjani futhi ukwazi ukuzakhela izimpendulo nezixazululo.

Lapha uzobona imibala, ubuhle kanye nokukhanya empilweni yakho.

Ngakho-ke, zifundise ukubonga njalo njalo kukho konke. Akwenzi mahluko ukuthi usezikweletini noma baningi abakukweletayo abangakukhokheli, bonga njalo! Umnikazi wendlu oqashe kuyo kungenzeka usekunike izwi lokuthi phuma uphele endlini, bonga noma kunjalo! Mhlawumpe uthole umlayezo wokuthi inkampani osebenza kuyo izodiliza nelakho igama likulabo abazodilizwa, bonga! Noma ngabe ubhekene naziphi izinhlupho, bonga!

IBhayibheli lisitshela ukuthi masibonge njalo ngokuba lokhu kuyintando kaBaba kuKristu uJesu ngathi (1 kwabaseThesalonika 5:18). KumaHeberu 13:15 uthi, ***"Masinikele njalo njalo kuNkulunkulu ngaye umhlatshelo wokubonga okungukuthi isithelo sezindebe ezivuma igama lakhe."*** Uma unalowo muzwa—umuzwa wokubonga—impilo yakho iyoba yileyo yokunqoba, yenkazimulo, yentokozo, kanye nobufakazi obungenamkhawulo. Hallelujah!

UMKHULEKO

Baba Osibusisayo, unomusa futhi ulungile! Kusukela ekujuleni kwenhliziyo yami ngiyabonga ngomusa wakho, ngokuhlakanipha kanye namandla enginqoba ngawo kukho konke engikwenzayo namuhla eGameni likaJesu. Amen.

PHILA NGEZWI LIKANKULUNKULU

Wathi kubo,Kuphi ukukholwa kwenu? Begcwele ukwesaba bemangele, bathi omunye komunye, Muntu muni lo! Uthulisa amanzi nomoya futhi kuyamthobela (ngokukaLuka 8:25).

Indoda ethile yayigulela ukufa, babecabanga ukuthi izofa. Ngolunye uLwesihlanu ntambama bamletha kimi. Emva kokuba sebeshilo ukuthi iyini inkinga, ngathi kuye, "Ungibone ngeSonto."

Emva kwalokho, njengalokhu ayethula ubufakazi bakhe, wathi, "Ngesikhathi umfundisi uChris ethi angombona ngeSonto ngavele ngazi ukuthi ngeke ngife ngaphambi kokufika kweSonto ngoba kufanele ngimbone." Wama ezwini lakhe lokuba ngimbone ngeSonto. Samshumayeza wasinda ngokumangalisayo.

Yilokhu-ke ukuphila ezwini likaNkulunkulu, ukuba uthathe izwi elivela kuNkulunkulu bese ubambelela kulo, uphile ngalo. Lokhu kungikhumbuza okwenzeka phakathi kukaJesu nabafundi bakhe. Wayethe kubo, ***"Masiwelele ngaphesheya"*** (ngokukaLuka 8:22). Ngesikhathi bephakathi nolwandle, kwavuka isivunguvungu abafundi baba nokwesaba, bakhalela uJesu bethi, ***"Nkosi, Nkosi, siyabhubha"*** (ngokukaLuka 8:24).

Impendulo yeNkosi kubo yilena esiyifunde evesini

esivule ngalo. Wababuza wathi, "Kuphi ukukholwa kwenu?" HisUumbuzo wakhe awubanga mayelana nomoya nesivunguvungu. Kepha wathi, "Nginitshelile ngathi sizowelelea ngaphesheya, ngakho kufanele sifikile noma ngabe izimo zinjani, asibhubhi endleleni!" Wayethi, "Kholwani ngamazwi ami."

Akwenzi mahluko ukuthi kwenzakalani lapho ukhona, yenqaba ukungabaza. Musa ukubheka isimo somnotho nesezepolitiki bese uba manqika, bambelela bese uhlala ezwini likaNkulunkulu. Phila impilo yakho ngezwi likaNkulunkulu. Hlala ezwini lakhe lize lifezekiswe kuwe, akukho okungakuvimba futhi akukho okungakunqoba. IMPILO AYIDINGI UKUBA UMSHIKASHIKA

UNkulunkulu waqeda ngosuku lwesikhombisa imisebenzi yakhe abeyenzile; waphumula ngosuku lwesikhombisa emisebenzini yakhe yonke abeyenzile (UGenesise 2:2).

Funda ngendaba yendalo encwadini kaGenesise: Emva kokuba uNkulunkulu ebona ukuthi konke okudaliwe kwakuhle kakhulu, kumnandi, futhi kuhle ngendlela yonke, wema emsebenzini wakhe futhi waphumula ngosuku lwesikhombisa. Usuku lwesikhombisa luyoba isuku lokuqala lomuntu. Uma evuka , wafumana konke sekulungile. Kwakungekho lutho olwalusele kumuntu ukulwenza ngaphandle kokuthakasela lokho okwase kudaliwe, ukukunakekela, futhi nokubonga uMdali wakhe. Lokhu kwakuyisithunzi seSabatha nokuphumula kwabantu bakaNkulunkulu. Wazalelwa ekuphumuleni kwakhe (KumaHeberu 4:9-10).

Ngesikhathi ubona, wamukela futhi uqale usebenze kuleliqiniso, impilo yakho ngokushesha iyothatha igxatho Elisha; wonke umshikashika wakho uyobe usuphelile. Ubuhlungu nobunzima lokhu abantu ababuzwayo usuku nosuku akusophinde kube yingxenye yempilo yakho.

Kunabantu abahlale bephila impilo yokushikashikeka. Abakaze bafeze izinjngozabo ngaphandle kokulwisana nosathane. Bahlale belwa indlela yonke empilweni, bekhuleka futhi bezila izinsuku okungapheli, futhi bekhiphana nalolonke uhlobo lwamadimni. Lokhu kuwumuzwa wabo kusukela ebuncaneni kuya ebudaleni. Kwakumele belwe ezinzima “izimpi zakwamoya” ngaphambi kokwamukelwa eNyuvesi. Ngenkathi sekuyisikhathi sokuthola iziqu, izimo nalapho zazinzima, futhi kwakumele balwe uhlobo olufanayo lwezimpi. Ukuthola umsebenzi emva kokuqeda isikole nacho kwakuwudaba olufanayo. Ukuthola umaqondana nokukhulisa abantwana nacho kwakungahlukile.

Izimpilo zabo selokhu zaba uchungechunge lobunzima nokuxakeka.Khona okungalungile.

Kepha uma ungakuqondi ukuthi wenza kanjani ukuthola futhi ujabulele ifa lakho elingcwele kuKristu, kungenzeka ukuba uphile "impilo engapheli yezimpi," njengalena esikade siyichaza. Nqaba uhlobo olunjalo lwempilo.

Yemukela impilo engenakukhathazeka kuKristu. Wathi NgokukaMathewu 11:28, ***"Zanini kimi nina nonke enikhatheleyo nenisindwayo, mina ngizakuniphumuza."*** Usuweza kuye ngensindiso futhi usekunikile ukuphumula: ***"Ngokuba ongenile ekuphumuleni kwakhe yena uphumula emisebenzini yakhe njengoNkulunkulu kweyakhe"*** (KumaHeberu 4:10). Leli yiqiniso lempilo yakho.

INkosi uJesu akabhaxabulanga usathane ukusishiya "sisalwa" futhi sizabalaza endlelni yethu yonke yempilo. Ukuzinikela kwakhe njengomhlatshelo ngenxa yethu, nomsebenzi wakhe ukusinika ukunqoba wapheleliswa. Ngakho, shintsha indlela yakho yokucabanga lapho kufanele khona futhi wamukele iZwi lakhe namuhla. Kufanele sikhumbule inhloso yethu, nesizathu sethu sokuba lapha, kungekwesikhashana. Singamanxusa kaNkulunkulu, sithunywe uMbuso wasezulwini ukuba sizozuza imiphefumulo elahlekileyo emhlabeni. Ngakho-ke, iBhayibheli lithi, ***"...Funani izinto zaphezulu la kuhlezi khona uKristu, ngakwesokudla sikaNkulunkulu. Nakani okwaphezulu, ninganaki okwasemhlabeni"*** (kwabaseKolose 3:1-2).

UMSOMBULUKO 28

YENQABA "UKUNGCOLA" OKUNGAXHUMEKELA "EMITHONJENI" YAKHO

...Okholwa yimi, njengokusho kombhalo, esiswini sakhe kuyakugobhoza imifula yamanzi aphilayo (NgokukaJohane 7:38).

Incwadi ka-Isaya 12:3 ithi, ***"Ngalokho niyakukha amanzi ngokujabula emithonjeni yensindiso."*** Imithombo yensindiso ibhekise kuzo zonke izibusiso zikaKristu ezikhona ekujuleni komoya wakho. Ibhayibheli lithi emoyeni wakho yilapho kuvela khona izingqinamba zokuphila. Uthwele ngaphakathi kuwe umthombo wezibusiso.

Manje, usathane uhlale efuna ukuvimba "imithombo." Cabanga ngakho ngokuhambisana nalokho okwenzeka ngezikhathi zeBhayibheli: njalo lapho ibutho elihlaselayo lingena emzini, lalivimba imithombo yakulelo dolobha ngodaka ukuze lokho kukhungathekise izakhamuzi. Imithombo yayiyisizinda samanzi abantu—isiphethu sokuphila.

U-Isaka wabhekana nobunzima obufanayo esandleni samaFilisti. Mayelana nendaba ka-Isaka, iBhayibheli lithi, ***"Yonke imithombo ezaziyimbile izinceku zikayise ezinsukwini zika-Abrahama uyise, amaFilisti ayivalile, ayigcwalisa ngomhlabathi...u-Isaka wabuye wamba imithombo yamanzi ababeyimbile ezinsukwini zika-Abrahama uyise, ngokuba amaFilisti ayivalile emva kokufa kuka-Abrahama..."*** (UGenesise 26:15;18).

Ngendlela afanayo naleyo amaFilisti amisa ngayo

imithombo yamanzi ka-Isaka (ukuze amkhathaze), usathane ufuna ukuvimba imithobo yamanzi aphilayo emoyeni wakho ngokuqinisekisa ukuthi injabulo kaKristu ayivezwa empilweni yakho. Ufuna futhi nokukuvimbela ukuba usebenzisi leyonjabulo nakwabanye abantu.

Amathuluzi akhe okuvalela "imithombo yakho" afaka umunyu, umona, inzondo, ukucasuka, ukungathetheleli, ukwesba nesimo sokwahlulela. Ungamvumeli usathane atshale izinto "ezingukungcola" empilweni yakho. Uyazi ukuthi awukwazi ukuphila ngenjabulo, ujabulele impilo noma ubusise umhlaba wakho ngempumelelo lapho uthukuthele, ucasukile noma unonya.

Kunalokho, khetha ukuvumela injabulo nothando lukaNkulunkulu ukuba kukhanye kusuka ngaphakathi kwakho kuye kwabanye nsuku zonke, futhi usathane angeke abe nezinyathelo empilweni yakho.

UMKHULEKO

Baba othandekayo, ngiyakubonga ngothando lwakho oluthulwe ngokugcwele enhlizweni yami ngoMoya oNgcwele, nangokugcwaka kukaKristu enhlizweni yami. Ngihamba empilweni ngenkazimulo enhle, nginenqubekela phambili nangezinyathelo ezinkulu, eGameni likaJesu. Amen.

UJESU UQOBO LWAKHE UNKULUNKULU

Ngokuba kuhlala kuye ngokomzimba ukugcwala konke kobuNkulunkulu (KwabaseKolose 2:9).

Emva kokuthi uJesu evoke ekufeni, waziveza kubafundi bakhe. Kepha omunye wabo, uTomase, wayengekho lapho; ngakho wangabaza ukuvuka kukaJesu. Kanjalo, uJesu waziveza kubafundi bakhe ngesinye isikhathi, kusona wayekhona uTomase futhi uJesu waphendulana naye. Wayesethi kuTomase, ***"Zisa lapha umunwe wakho, ubone izandla zami; zisa isandla sakho, usifake ohlangothini lwami; ungabingongakholwayo kodwa okholwayo"*** (NgokukaJohane 20:27).

UTomase welula isandla wathinta izimbobo ezandleni zeNkosi Kanye nembobo esohlangothini lwakhe. Emangele ngalokhu, uTomase wamemeza, ***"Nkosi yami, Nkulunkulu wami"*** (NgokukaJohane 20:28)! Ngenkathi uTomase ephendula uJesu embiza ngoNkulunkulu, uJesu akashongo ukuthi, "Chabo, Tomase, ungangibizi ngoNkulunkulu sewuyeqisa." Wakwamukela ngoba uTomase wayekhuluma iqiniso. UJesu unguNkulunkulu osenyameni, kepha abantu babengazi. Ungu-Adonai, iNkosi, uNkulunkulu!

Nguye owathi kuMose, "Ngabonakala kuAbrahama, nakuIsaka, nakuJakobe njengoSomandla, kepha ngegama lami lokuthi uJehova ngangingaziwa kubo" (EKsodusi 6:3). uJehova uYahweh. Yingakho abantu bamaJuda babenenkinga ekwamukeleni uJesu Kristu ngokwejwayelekile, ngoba kwakumele bavume ukuthi ungu-Adonai, okwabe vele enguye. Babeqonda kuchazani lokhu.

Cabanga ngalokhu, leyondoda eyayibukeka yejwayelekile yaseGalile kahlehle kwakunguNkulunkulu uSomandla, yayihamba iigwaqo yakwaIsrayeli! Babengenakukwamukela. Bamlahla ngokufa, kepha wabeka phansi ukuphila kwakhe njengemvu ngenxa yensindiso yabo. Ibhayibheli lithi, ***"Wayekhona ezweni, izwe lavela ngaye; kepha izwe alimazanga. IZIZATHU EZINTATHU EZIBALULEKILE ZOKUZUZA IMIPHEFUMULO

Wayesethi kubo; Hambani niye ezweni lonke, nishumayele ivangeli kukho konke okudaliweyo (NgokukaMarku 16:15).

Abanye babuza ukuthi, amaKristu angazange azuze imiphefumulo angaya na ezulwini. Umbuzo wabo ususelwa kulokho iNkosi ekusho encwadini kaHezekiya 33:2-6: ***"...Lapho ngehlisela phezu kwezwe inkemba, abantu bezwe bese bethatha umuntu phakathi kwabo, bambeke umlindi wabo, nalapho yena esebona inkemba yehla phezu kwezwe, abethe icilongo, axwayise abantu, okuzwayo ukukhala kwecilongo angaxwayisi kodwa, beseyehla inkemba, imsuse, igazi lakhe liyakuba sekhanda lakhe. Ukukhala kwecilongo wakuzwa, kepha akexwayanga; igazi lakhe liyakuba kuye; uma exwayile, ngabe ezophulile. Kepha uma umlindi ebona inkemba yehle; angabethi icilongo, abantu bangaxwayi, beseyehla inkemba, isuse umuntu kubo, uyasuswa ngenxa yobubi bakhe kepha igazi lakhe ngiyakulibiza esandleni somlindi."***

Kunezizathu ezntathu ezibalulekile okungazo kumele ushumayele iVangele futhi uzuze imiphefumulo njengomKristu. Okokuqala ukholo lwakho eNkosini uJesu naseVangelini layo lenkazimulo. Isizathu sesibili, uthando lwakho kuYe futhi nethemba lokubuya Kwakhe ngokushesha. Isizathu sesithathu, ukusinika kwakhe umyalelo osiphoqayo ukuba sizuze imiphefumulo.

Uma ngabe ungayizuzi imiphefumulo, uthando lwakho ngeNkosi luyathandabuza. Ithemba lakho ngezulu luyangabazwa, kanye nokulalela kwakho imiyalelo yeNkosi. Ngakho-ke uma ungesuye umzuzi wemiphefumulo, kusho ukuthi awukholelwa, futhi izulu akusiyo indawo yalabo "abangakholelwa,"

akusiyo indawo yababulali, abakhonza izithombe, njll. Incwadi yesambulo 21:8 ithi, ***"Kepha amagwala, nabangakholwayo, nabanengekayo, nababulali, nezifebe, nabathakathi, nabakhonza izithombe, nabo bonke abaqamba amanga, isabelo sabo siyakuba sechibini elivutha umlilo nesibabule, okungukufa kwesibili."***

UNkulunkulu unqume ukuba imiphefumulo izuzelwe eMbusweni waKhe, futhi usinike isibopho sokuthola abalahlekile emhlabeni wethu futhi nokwabelana nabo ngeVangeli. Ngakho-ke, KUFANELE ufinyelele kulabo okungakafinyelelwa kubo futhi ubalethe kuKristu; lokho kungumsebenzi wakho obalulekile njengomntwana kaNkulunkulu.

Umphostoli uPawulu, ekuqaphela lokhu, ubhale wathi, ***"Ngokuba uNkulunkulu ekuKristu wenza ukuba izwe libuyisane naye, engababaleli iziphambeko zabo, ebeka kithi izwi lokubuyisana"*** (2 KwabaseKorinte 5:19-20). Zibophezele ngokuphelele eVangelini futhi nasekusabalalisweni kwalo emhlabeni wonke.

UMGQIBELO 24

YIBA NOMQONDO WOKUHLWITHWA

Nakalokhu, nabantwanyana, hlalani kuye, ukuze, nxa ebonakala, sibe nesibindi, singabi namahloni sinyibe kuye ekubonakaleni kwakhe (1 KaJohane 2:28).

Ukuhlwithwa kwebandla kusondele kakhulu kunakuqala. Sisesikhathini sokugcina noma "izikhathi zezimpawu" zokugcina ngaphambi kokuvela kweNkosi. Kubalulekile ukuba uyilindele. Izwi 1 kwabaseThesalonika 4:16-17 lithi, nabafileyo "kuKristu" bayakuvuka kuqala, khona thina, esisekhona sisasele siyakuhlwithwa kanye nabo emafwini sihlangabeze iNkosi emoyeni.

Umbuzo uthi: Ingabe ukuKristu Na? Uma ukuye, ungomunye wabaningi iNkosi ebuyela ukubamukela kuyo. Uma ungekho kuye, kufanele unikele inhliziyo yakho kuKristu ngokushesha, ngokuvuma ukuba abe iNkosi phezu kwempilo yakho. Ibhayibheli lithi, ***"Kunjalo noKristu, esenikelwe abantu athwale izono zabaningi, uyakubonakala ngokwesibili ngaphandle kwesono kulabo abamlindeleyo, kube ngukusindiswa"*** (KumaHeberu 9:28).

Umbhalo encwadini yeZenzo 1:9-11 usitshela ngokwenyukela kwakhe ezulwini. Lapho abafundi bakhe bemile, bebuka ngokwesaba ngenkathi ephakanyiswa, izingelosi ezimbili zavela kubo zathi, ***"...uJesu lo, osuswe kini enyuselwa ezulwini, uyakuza kanjalo, njengalokho nimbonile eya ezulwni"*** (Izenzo 1:11). Yilesi isizathu esenza sishumayele iVangeli emhlabeni wonke. Umhlaba wonke udinga ukwazi ukuthi ukuhlwithwa kwebandla kusondele; iNkosi iyabuya ngokushesha.

Ithe encwadini ngokukaJohane 14:3, ***"...ngobuye ngize, nginibuyisele kimi ukuba lapho ngikhona nibe***

khona nani." Umphostoli uPetru, ebhekise osukwini lweNkosi kanye nezehlakalo ezizomemezela ukuza kwayo, uthe, ***"Kepha usuku lweNkosi luyakufika njengesela mhla amazulu eyakudlula ngokuhlokoma; kuyakusha konke, kubhidlike; nomhlaba nemisebenzi yawo kuyakusha. Njengokuba konke kuyakubhidlika kanjalo, kumelwe ukuba nibe ngabantu abanjani ekuhambeni okungcwele nasekumesabeni uNkulunkulu"*** (2 KaPetru 3:10-11).

Gxila ekuhlwithweni. Phila nsuku zonke njengomuntu olindele iNkosi; thwala lolo lwazi enhlizweni yakho ngaso sonke isikhathi. Hamba othandweni. Hamba ngokulunga. Futhi lapho uzilungiselela, siza labo abaseduze nawe ukuba nabo bazilungiselele ngokushumayela futhi nokubafundisa iZwi likaNkulunkulu.

UMKHULEKO

Ngiphapheme futhi ngiqaphele emoyeni wami, ngishisekela imisebenzi emihle, ngiqhutshwa uthando lweNkosi, iZwi layo, futhi nokulindela kwami ukubuya kwayo okuseduze. Nginesiqinisekiso sokuthi iVangeli lingamandla kaNkulunkulu okusindisa kuwo wonke umuntu okholwayo; ngizimisele ukulandela futhi nokuzuza imiphefumulo yabantu. Namuhla, njengoba leliVangeli lenkazimulo lishunyayelwa emhlabeni wonke, abaningi bayakhishwa embusweni wobumnyama, bayiswa enkululekweni yenkazimulo yamadodana kaNkulunkulu. Hallelujah!
